Race and US Foreign Policy Mark Ledwidge, 2012-02-06 African Americans analysis of and interest in foreign affairs represents a rich and dynamic legacy and this work provides a cutting edge insight into this neglected aspect of US foreign affairs In addition to extending the parameters of US foreign policy literature to include race and ethnicity the book documents case specific analyses of the evolutionary development of the African American foreign affairs network AAFAN Whilst the examination of race in regard to the construction of US foreign policy is significant this book also provides a cross disciplinary approach which utilises historical and political science methods to paint a more realistic appraisal of US foreign policy Including analysis of original archival evidence this theoretically informed work seeks to transcend the standard mono disciplinary approach which overestimates the separation between domestic and foreign affairs The unique approach of this work will add an important dimension to a newly emerging field and will be of interest to scholars in ethnic and racial studies American politics US foreign policy and US history **Scripting the Black Masculine Body** Ronald L. Jackson

II, 2006-01-01 Winner of the 2007 Everett Lee Hunt Award presented by the Eastern Communication Association Scripting the Black Masculine Body traces the origins of Black body politics in the United States and its contemporary manifestations in popular cultural productions From early blackface cinema through contemporary portrayals of the Black body in hip hop music and film Ronald L Jackson II examines how African American identities have been socially constructed constituted and publicly understood and argues that popular music artists and film producers often are complicit with Black body stereotypes Jackson offers a communicative perspective on body politics through a blend of social scientific and humanities approaches and offers possibilities for the liberation of the Black body from its current ineffectual and paralyzing representations

The Black Muslim Manifesto Lukman, 2009-05 The Black Muslim Manifesto is the compilation of over ten years of essays addressing events of historical contemporary and ideological significance Debates between the author and others who contested some of his positions form the basis of several chapters The essays not only provide Lukman s reflections on some of the most critical issues of the past decade they also include a critical analysis of American history a critique of Malcolm X a biographical sketch of Kwame Ture partly based on the author s personal relationship with him Lukman s understanding of the religion of Islam particularly as it relates to the post 9 11 world commentaries on Lebanon Sudan Gaza the ascendancy of Obama etc There are countless opinions offered concerning every topic addressed in the Manifesto however that which makes the Manifesto unique is it s uncompromising Black revolutionary Islamic perspective This is a perspective that is totally missing from the ideological discourse in America on either the left or the right The climate of fear engendered by George W s fatwa that you are either with us or you are with the terrorists has sent Muslim leadership in America scurrying behind the mantra Islam is peace The fact that Bush codified his fatwa with the Patriot Act has left this brand of leadership

cowering in fear Those who wish to pass themselves off as Black leadership are no better than their Muslim counterparts The Manifesto takes the unabashed position that the Obamamania which has been signed onto by most recognized Black leadership is no more than a corporate controlled deception It is a deception designed for international as well as domestic consumption The American ruling class is faced with the browning of America They are also confronted with an increasingly non white anti American global population According to the Manifesto Obamaism represents the apotheosis of neo colonialism Are the views expressed in the two preceding paragraphs controversial Of course they are and they are reflective of the spirit of the book That is precisely what makes the Manifesto unique The uniqueness of the book is part of the appeal of the Manifesto An embattled Muslim world will find a voice in the Western Hemisphere who champions their cause Followers of the teachings of the Honorable Elijah Muhammad will see that Elijah Lives in its pages Revolutionary thinkers will find a book written in the spirit of George Jackson s Blood in my Eye And of course liberals reformists accommodationists and assimilationists will be horrified But that is precisely the type of debate all intellectuals should welcome *Things I Never Told You* Beth K. From Plight to Promise Raymond Head,2022-01-14 From Plight to Promise is interest evoking conviction inspiring and a powerfully irrefutable read It will introduce to some and enhance for others the knowledge and understanding of a fundamental culture which was designed to give meaning to reality That s our amazing story as a people and within our story is his story and From Plight to Promise tells that compelling story Acknowledging that our unique experience with its many triumphs and tragedies is still the embodiment of totality Because of history s profound disdain for people of color he wanted his children to know and understand that in reality there is only one race the human race which has been proven to have originated in Afrika He exposed his children to our amazing story to bring truth to their reality and to build character by showing and teaching them the distinctive nature of their Afrikan origin More specifically he wanted children of color globally to know and understand that they are so much more than what history has told them they are From Plight to Promise is an insightful and compelling narrative intended for all people because it exposes the changeable and unchangeable nature of life circumstances but it also gives the necessary wisdom knowledge and understanding to address those circumstances Ase it is so

Afrocentrism Stephen Howe,1999-08-17 For centuries racist colonial and Eurocentric bias has blocked or distorted knowledge of Africans their histories and cultures resulting in a counter mythology claiming the innate superiority of African descended peoples In this provocative study historian Stephen Howe challenges this Afrocentric rewriting of African history 16 photos Copyright Libri GmbH All rights reserved *The Liberation of the African Mind* Adisa Franklin,2004-11-02 The Liberation to the African Mind The Key to Black Salvation is a strong book written to the millions of African Americans who have had their history distorted by the Church and public schools Because of these distortions Black people are estranged and alienated from their culture and the wisdom of their ancestors The book challenges African Americans to begin to think for themselves especially in the realm of religion It is a prophetic book with a revolutionary perspective It is prophetic in that it points to the direction the Black Church must take to effectively address the spiritual needs of the Black community It is revolutionary because it challenges the Church and believers to establish a new paradigm an African Spiritual frame of reference The Black Church must transform itself and take on a new view of the scriptures doctrines and dogmas of Christendom This book documents the fact that what Blacks have been given as Christianity is in reality stolen African mythology cosmology and history that has been corrupted by Roman and Greek priest philosophers and emperors It is one of the most powerful challenges to Orthodox Christianity to date The Truth will liberate you from their strong delusions While there is indeed some positive and beneficial aspects to Church membership it is time for the Black Church to make its exodus from the Western religious way of faith in God to the African spiritual way of knowledge of God Black Pastors and religious leaders must begin to teach that which will bring about the manifestation of the fullness of Christ This is the charge given to all church leadership by the Bible they teach from And He Himself gave some to be apostles some prophets some evangelist some pastors and teachers for the equipping of the saints for the work of the ministry for the edifying of the body of Christ

till we all come to the unity of the faith and the knowledge of the Son of God to be a perfect man to the measure of the stature of the fullness of Christ Ephesians 4 11 13 There are far too many Babes in Christ in the Church It is not the fault of the believers but a reflection of corrupted doctrines and false dogmas In addition the unity of the Black Church must become a priority Not one church or believer can say they have no need of the rest of the Body of Christ in good conscience Yet unity in the Black Church is more a rhetorical than an actual reality Imagine what could be done if the wealth of the Church was combined to establish a super fund Unity must be at the top of the agenda for the Black Church and for the Black community Lastly though we have the proverbial church on every corner there is an undeniable spiritual crisis in the Black community The Liberation of the African Mind The Key to Black Salvation makes the Spiritual Resurrection of the Black man a valid goal and priority It will challenge many long held beliefs and dogmas however Christendom must be examined and that which is not of God must be abandoned Not since Marcus Garvey Fredrick Douglass and the Honorable Elijah Muhammad have Blacks questioned the validity or efficacy of Christianity Mr Muhammad made an attempt to make Blacks aware that Christianity was the religion of the people who had enslaved them Every race worships God in a way that is peculiar to their culture Since the days of captivity Blacks have worshiped the god of their conquerors and oppressors Worshipping a White man as God is not only a form of idolatry but extremely detrimental to the Black Psyche
