The Qualified Self Lee Humphreys, 2018-04-13 How sharing the mundane details of daily life did not start with Facebook Twitter and YouTube but with pocket diaries photo albums and baby books Social critiques argue that social media have made us narcissistic that Facebook Twitter Instagram and YouTube are all vehicles for self-promotion In The Qualified Self Lee Humphreys offers a different view She shows that sharing the mundane details of our lives what we ate for lunch where we went on vacation who dropped in for a visit didn't begin with mobile devices and social media People have used media to catalog and share their lives for several centuries Pocket diaries photo albums and baby books are the predigital precursors of today's digital and mobile platforms for posting text and images The ability to take selfies has not turned us into needy narcissists it's part of a longer story about how people account for everyday life Humphreys refers to diaries in which eighteenth-century daily life is documented with the brevity and precision of a tweet and cites a nineteenth-century travel diary in which a young woman complains that her breakfast didn't agree with her Diaries Humphreys explains were often written to be shared with family

and friends Pocket diaries were as mobile as smartphones allowing the diarist to record life in real time Humphreys calls this chronicling in both digital and nondigital forms media accounting The sense of self that emerges from media accounting is not the purely statistics driven quantified self but the more well rounded qualified self We come to understand ourselves in a new way through the representations of ourselves that we create to be consumed **Everybody Has a Story 2 Tell** Kailer Hayes,2011-01-25 She worked hard to escape the hood Shes going to school to make a better life not just for herself but for her sisters nieces and nephew as well She takes all the Ls so her family will not lose After all the pain she face from her mother going to jail her sister label as a Queen Pin and the only man she loved played her As Kyla try to become a better woman the obstacles keep coming her way As much as she fights to stay strong for her family Will she survive **Floor Sample** Julia Cameron,2023-08-08 Floor Sample is a memoir from the Queen of Creativity Julia Cameron Julia Cameron has transformed the creative lives of millions showing them that creativity is their uniquely human birthright But long before the tools of The Artist s Way changed the conversation around creativity Julia developed and used them in her own life Floor Sample is the story behind an artistic life detailing Julia s years in New York her time as a writer for Rolling Stone her turbulent marriage to Martin Scorsese and her painful struggle with alcohol which ultimately led her to recovery and the methods that would form the backbone of The Artist s Way The life Julia shares in her memoir is tempestuous flitting restlessly across the country falling in and out of love wrestling with alcohol and mental health but through all of it always her art was a fixed point and north star Featuring a brand new prologue from the author Floor Sample is honest and unapologetic a glimpse into the heart and mind behind The Artist s Way *Banned From Baby Showers* Donna Ryan,2022-03-21 Banned From Baby Showers aka Donna Ryan began blogging about birth breastfeeding and parenting in 2008 Her posts remain relevant for parents of all ages and stages of this crazy journey and now come to life in the form of a book Donna has big opinions on natural birth and attachment parenting You noticed her caricature on the cover right Big hair big hat and a big mouth She s been asked if she has a Texas size opinion on all topics or just childbirth Is she allowed at weddings Birthday parties Banned from Baby Shower moments refer to those experiences with your friends family or coworkers over childbirth and related topics These are the moments where you have to make a decision about whether to give information or just walk away from the conversation to avoid a fight To answer the question while she didn t attend baby showers for years she will occasionally make an appearance these days but she keeps her mouth shut and smiles while handing over this gift wrapped book While Donna is happy to share her opinions they are rooted in evidence She has taught hundreds of couples in live childbirth classes and thousands through online classes at Birth Boot Camp a company she founded in 2012 There is value in the anecdotal stories too when it comes to childbirth You ll find plenty within these pages Have fun with this book Read it cover to cover or pick through the topics and categories that interest you or you need at a particular phase of your pregnancy or parenting journey You might just find it changes your life **Creating Comedy**
