A. Prentiss, 2020-11-10 In a small suburban town the murder of a local high school student rocks one woman's family to its core and threatens to expose her deepest darkest secrets in the process After a lifetime of hardship Jessica Thornton finally has the life she's dreamed of a new marriage to a realtor with burgeoning success a daughter whose athleticism has won her a scholarship to college and a freshly secured grant from her bank to finally complete her own higher education Her life today is a complete reversal from the not too distant past when the death of her first husband left her penniless and desperate to provide for her then newborn child But after the murder of her children's high school classmate a series of disturbances brings Jessica to question whether her dreams ever actually came true or whether they've just been delusions all along In the days after the murder suspicion creeps in at every corner beginning with Jessica's daughter and stepson who won't tell her where they were on that fateful night Then she discovers that her husband's business is failing not growing and that the stories he's told of meetings with high powered investors were nothing more than lies And when a private investigator comes to look into the death of her first husband her last foundation of truth slips suddenly away **Journal of New England Water Works Association** New England Water Works Association, 1921 *Unity* ,1920 *Reports...* ,1901 **The Standard** ,1903 **Report** United States.
