Sebald's Hybrid Poetics* Lynn L. Wolff, 2014-04-02 This book offers a new critical perspective on the perpetual problem of literature's relationship to reality and in particular on the sustained tension between literature and historiography The scholarly and literary works of W G Sebald 1944-2001 serve as striking examples for this discussion for the way in which they demonstrate the emergence of a new hybrid discourse of literature as historiography This book critically reconsiders the claims and aims of historiography by re-evaluating core questions of the literary discourse and by assessing the ethical imperative of literature in the 20th and 21st centuries Guided by an inherently interdisciplinary framework this book elucidates the interplay of epistemological aesthetic and ethical concerns that define Sebald's criticism and fiction Appropriate to the way in which Sebald's works challenge us to rethink the boundaries between discourses genres disciplines and media this work

proceeds in a methodologically non dogmatic way drawing on hermeneutics semiotics narratology and discourse theory In addition to contextualizing Sebald within postwar literature in German the book is the first English language study to consider Sebald s uvre as a whole Of interest for Sebald experts and enthusiasts literary scholars and historians concerned with the problematic of representing the past *Piano For Dummies* Hal Leonard Corporation,2020-06-26 The key to fast and fun piano proficiency Whether you re a wannabe Mozart or are an experienced hand at tinkling the ivories the latest edition of Piano For Dummies has what you need to take you to the next level in making beautiful music using this much loved and versatile instrument Working as an introductory course or as a refresher to keep those fingers nimble you ll find information on getting started improving your technique and performance and the best ways to practice until you hit finely tuned perfection And along the way you ll pick up the techniques for different styles including classical blues and rock In an easy to follow style the book also helps you sharpen your sight reading You can also tune in to audio and video online to help you improve your creativity and discipline as well as hear and see that you re hitting the right notes Choose the right piano Know your keys Scale up for success Care for your instrument Whatever you want from your love affair with the old 88 you ll find enough right here to keep you hammering happily and even more proficiently away for years to come P S If you think this book seems familiar you re probably right The Dummies team updated the cover and design to give the book a fresh feel but the content is the same as the previous release of Piano For Dummies 9781118900055 The book you see here shouldn t be considered a new or updated product But if you re in the mood to learn something new check out some of our other books We re always writing about new topics *Charmed to Death* Yasmine Galenorn,2023-01-10 November brings with it the annual windstorms but another kind of storm is brewing All over town people are becoming unhappy with their partners At Shadow Magic we re getting more requests than we can handle for love potions Be True charms Reveal Cheater spells and anything you can think of to do with romance and its vagaries Granny and I know that something sinister is afoot but we aren t sure what Until Dagda Bruin the chief of police asks us for help We discover a full scale magical virus going on that s causing broken hearts fights between jilted lovers and scandalous affairs everywhere As we try to figure out what s going on one fight leads to murder and the race is on to discover not only the source of this mayhem but a cure for what s ailing the lovelorn of Terameth Lake And if we don t move soon the body count s going to rise as tempers and infidelities escalate Keywords Paranormal Witches Faerie Fae Fairy Weres Shapeshifters Romance Paranormal Women s Fiction Badass heroine kickass women action and adventure Ghost hunting cats ghosts urban legends shadow people Shadow towns wolf shifters cat shifters elemental magic shapeshifter romance mystery strong women kickass heroine steamy Pacific North West woods fae creatures divorce life change new life hometown hauntings dark creatures amazing friendships family secrets spells challenging foes magical creatures mythology *Terminal Degree* Sid Stark,2024-12-31 Rowena Halley has hit a dead end Will it leave her dead Russian professor Rowena Halley is at the end of her money the end of her job contract the end of her
