The day Pasha spots the dangerous pirate in the bar, he knows he mustn't let the stranger slip away no matter what he must do to draw his attention. Captain Griffin Hawke spent the better part of a decade searching for his lost king, only to find Helios Dayspring crouched between his legs, swathed in the robes and shackles of a whore. Though he is appalled by the downfall of his king, Grif falls for the sensual creature who has taken his place. A brutal invasion has stripped his people of nearly everything, and they desperately need Helios to lead them. But returning him to throne means smuggling him off the planet, disabling the chip that keeps him submissive and forgetful.
