Rodriguez, Candace Ganger, Sara Zarr, Cynthia Hand, Francisco X. Stork, 2019-04-09 Who better to raise teens awareness of mental illness and health than the YA authors they admire Booklist starred review A much needed enlightening book School Library Journal starred review Your favorite YA authors including Ellen Hopkins Maureen Johnson and more recount their own experiences with mental health in this raw real and powerful collection of essays that explores everything from ADD to PTSD Have you ever felt like you just couldn't get out of bed Not the occasional morning but every day Do you find yourself listening to a voice in your head that says you're not good enough not good looking enough not thin enough or not smart enough Have you ever found yourself unable to do homework or pay attention in class unless everything is just so on your desk Everyone has had days like that but what if you have them every day You're not alone Millions of people are going through similar things However issues around mental health still tend to be treated as something shrouded in shame or discussed in whispers It's easier to have a broken bone something tangible that can be fixed than to have a mental illness and easier to have a discussion about sex than it is to have one about mental health *Life Inside My Mind* is an anthology of true life events from writers of this generation for this generation These essays tackle everything from neurodiversity to addiction to OCD to PTSD and much more The goals of this book range from providing a home to those who are feeling alone awareness to those who are witnessing a friend or family member struggle and to open the floodgates to conversation

Suicide in Modern Literature Josefa Ros Velasco, 2022-01-01 This book analyzes the social and contextual causes of suicide the existential and philosophical reasons for committing suicide and the prevention strategies that modern fictional literature places at our disposal They go through the review of Modern fictional literature in the American and European geographical framework following the rationales that modern literature based on fiction can serve the purpose of understanding better the phenomenon of suicide its most inaccessible impulses and that has the potential to prevent suicide From the turn of the 20th century to the present debates over the meaning of suicide became a privileged site for efforts to discover the reasons why people commit suicide and how to prevent this behavior Since the French sociologist and philosopher mile Durkheim published his study *Suicide A Study in Sociology* in 1897 a reframing of suicide took place giving rise to a flourishing group of researchers and authors devoting their efforts to understand better the

causes of suicide and to the formation of suicide prevention organizations A century later we still keep on trying to reach such an understanding of suicide the nature and nuances of its modern conceptualization to prevent suicidal behaviors The question of what suicide means in and for modernity is not an overcome one Suicide is an act that touches all of our lives and engages with the incomprehensible and unsayable Since the turn of the millennium a fierce debate about the state's role in assisted suicide has been adopted Beyond the discussion as to whether physicians should assist in the suicide of patients with unbearable and hopeless suffering the scope of the suicidal agency is much broader concerning general people wanting to die
