When The Moon Forgot:

When the Moon Forgot Jimi, 2009-04 A boy befriends the moon when it falls from the sky until finally after much love and nurturing the moon remembers how to find its way back home *Whispers Between the Lines* Arun Biswas, 2025-08-19 In this eloquent collection *Whispers Between the Lines* poet invites you on a profound journey through the quiet corners of the human experience Here the moon isn't just a celestial body it's a patient confidant that remembers every unspoken tear A simple cup of quiet becomes a sanctuary and the honest fall of autumn leaves reveals truths people often hide Through evocative imagery and gentle rhythms these poems explore the weight of unspoken letters the haunting silence between storms and the deep soulful hum of a life lived fully You'll discover that homes are more than just places grief is a soft song that lingers and even when the stars forget to shine the light we need is found within ourselves This book is a collection of delicate truths a library of forgotten faces a garden grown between pages and a reminder that every feeling every moment and every person holds a universe of their own *Whispers Between the Lines* is a book for those who listen closely to the world offering solace and understanding in the gentle powerful poetry of the everyday 2024-08-01 IP
