Sustainable Development Goals for Society Vol. 1 Godwell Nhamo, Muchaiteyi Togo, Kaitano Dube, 2021-06-16 Written by 43 authors from Africa Europe and Latin America this book presents 19 topics addressing poverty in the context of Sustainable Development Goals SDGs leadership in implementing SDGs and SDGs in service delivery and local government As the world has gone past five years of implementing the 2030 Agenda for Sustainable Development and the intertwined 17 SDGs new opportunities in research continue to open up Hence documenting some of the initiatives put in place around the world

regarding the implementation of the SDGs is one of the aims of this publication With 10 years remaining the book further enhances the desire to scale up SDGs implementation The selection of case studies from the selected regions also provides a balance in terms of how the SDGs are being rolled out for economic growth environmental stewardship and social protection The ambition remains even with the challenge brought by the COVID 19 pandemic that preoccupied the whole of 2020 spilling over to 2021 There is no doubt that resources have been diverted but the world must stay on the course to 2030 and beyond Therefore the book is relevant for several stakeholders including the academics development partners government officials and other individuals that are involved in making sure no one is left behind in the lead to 2030 **ICEL 2018 13th**

International Conference on e-Learning Professor Eunice Ivala,2018-07-05 **ICEL2016-Proceedings of the 11th International Conference on e- Learning** Prof. Dr. Rozhan M. Idrus and Dr Nurkhamimi Zainuddin,2016 **Utilisation of South African Research on Higher Education** Jan Botha ,Gabriele Vilyte ,2021-10-26 The relationship between research on the one hand and policy practice on the other hand is complicated and collaboration between scholars in research on higher education RHE and institutional research IR practitioners is often lacking This book marks a collaborative effort of a diverse range of South African RHE and IR scholars and asks the overarching questions What do we know about the utilisation of South African research on higher education SARHE and its subset of research known as Institutional Research How and by whom is this research used The book begins by looking at the historical underpinnings of SARHE and delineating the shape and size of this body of research This is followed by a series of case studies on South African Higher Education institutions and governmental bodies investigating how when and by whom are research on higher education and institutional research used in the decision making of these organisations This book is the first of its kind in South Africa and sets out to lay the groundwork for further research into the use uptake and utilisation of RHE and IR in this country

Higher Education ICT Integration in Africa Ke Yu,Reuben Dlamini,2024-08-21 This multidisciplinary edited volume examines higher education's ICT integration in Africa contributing a new and inclusive change readiness framework to better understand how to manage ICT or other technological disruptions in resource restrained contexts Tackling ICT incorporation in HEIs from different levels chapters document case studies from countries such as Uganda South Africa Rwanda Eswatini and Zimbabwe to demonstrate both the complexity of integration but also the successes it has enabled and under which conditions The cases included in this book also exhibit better incorporation of both change content and process while some cases also make explicit reference to other technology adoption models Ultimately the book highlights conceptual and empirical research to inform practices and policy development in Africa improving multi level success or change readiness in ICT incorporation in HEIs in Africa Addressing various gaps in existing literature and proposing innovative solutions like the multilevel change readiness model this book will therefore be of interest to scholars researchers and academics in the fields of higher education ICT integration and educational technology more broadly The Open Access version of this book available
