

OAA

Ohio Achievement Assessment

- ✓ Starting in third grade, the OAA is administered to track student achievement.
- ✓ In October, students are given the reading portion as a practice test.
- ✓ The actual test is not given until May, and this is when all portions are administered.
- ✓ Results from the practice test are used to determine areas of need, as well as to provide a pre test to use for student growth in the Spring.
- ✓ After testing is complete, results are compiled by an outside testing service and returned to the school within a month typically.
- ✓ Teachers are working to improve student achievement through intervention strategies and the implementation of a new reading series.
- ✓ This is only type of Value-Added data currently provided.
 - ✓ The data is provided on the State Report Card
