**When Mystical Creatures Attack!** Kathleen Founds, 2014-10-01 In *When Mystical Creatures Attack* Ms Freedman's high school English class writes essays in which mystical creatures resolve the greatest sociopolitical problems of our time. Students include Janice Gibbs a feral child with excessive eyeliner and an anti authoritarian complex that would be interesting were it not so ill informed and Cody Splunk an aspiring writer working on a time machine. Following a nervous breakdown Ms Freedman corresponds with Janice and Cody from an insane asylum run on the capitalist model of cognitive behavioral therapy where inmates practice water aerobics to rebuild their Psychiatric Credit Scores. The lives of Janice Cody and Ms Freedman are revealed through in class essays letters therapeutic journal exercises an advice column a reality show television transcript a diary and a Methodist women's fundraising cookbook. Recipes include Dark Night of the Soul Food Render Unto Caesar Salad and Valley of the Shadow of Death by Chocolate Cake. In *Virtue of the Month* the ghost of Ms Freedman's mother argues that suicide is not a choice. In *The Un Game* Janice's chain smoking nursing home charge composes a dirty limerick. In *The Hall of Old Testament Miracles* wax figures of Bible characters come to life hungry for Cody's flesh. Set against a South Texas landscape where cicadas hum and the air smells of taco stands and jasmine flowers these stories range from laugh out loud funny to achingly poignant. This surreal exuberant collection mines the dark recesses of the soul while illuminating the human heart.

*November Storm* Robert Oldshue, 2016-10-01 In each of the stories in Robert Oldshue's debut collection the characters want to be decent but find that hard to define. In the first story an elderly couple is told that delivery of their Thanksgiving dinner has been canceled due to an impending blizzard. Unwilling

to have guests but nothing to serve them they make a run to the grocery hoping to get there and back before the snow but crash their car into the last of their neighbors In *The Receiving Line* a male prostitute tricks a closeted suburban schoolteacher only to learn that the trick is on him In *The Woman On The Road* a twelve year old girl negotiates the competing demands of her faith and her family as she is bat mitzvahed in the feminist ferment of the 1980s The lessons she learns are the lessons learned by a ten year old boy in *Fergus B Fergus* after which in *Summer Friend* two women and one man renegotiate their sixty year intimacy when sadly but inevitably one of them gets ill *The Home Of The Holy Assumption* offers a benediction A quadriplegic goes missing at a nursing home Was she assumed In the process of finding out all are reminded that caring for others however imperfectly even laughably is the only shot at assumption we have In upstate New York a November storm is one that comes early in the season If it catches people off guard it can change them in the ways Oldshue s characters are changed by different but equally surprising storms

*Night in Erg Chebbi and Other Stories* Edward Hamlin,2015-10-01 *Night in Erg Chebbi and Other Stories* spans the globe taking us from Belfast to Brazil Morocco to Manhattan The teenaged daughter of an IRA assassin flees Northern Ireland only to end up in Baby Doc s terrifying Haiti An American woman who s betrayed her brother only to lose him to a Taliban bullet comes face to face with her demons during a vacation in Morocco A famed photojournalist must find a way to bring her life s work to closure before she goes blind a quest that changes her understanding of the very physics of light By turns innocent and canny the characters of *Night in Erg Chebbi and Other Stories* must learn to improvise quickly when confronted with stark choices they never dreamed they d have to make Lyrical immaculately constructed and deeply felt these nine stories take us far beyond our comfort zones and deep into the wilds of the human heart

**Stories No One Hopes Are about Them** A. J. Bermudez,2022-11-14 2023 Lammy Award for Bisexual Fiction shortlist At once playfully dark and slyly hopeful *Stories No One Hopes Are about Them* explores convergences of power privilege and place Characters who are ni de aqu ni de all neither from here nor there straddle competing worlds disrupt paradigms and transition from objects of other people s stories to active subjects and protagonists of their own Narratives of humanity and environment entwine with nuanced themes of colonization queerness and evolution at the forefront Big things happen in this collection But it s also a collection of small intimacies misremembered names chipped teeth and private rituals unexpected alliances and barely touched knees beneath uniform skirts minutiae of the natural world incidents that quietly achingly and delightfully transgress the familiar

**No Use Pretending** Thomas A. Dodson,2023-10-04 Colorado Independent Publishers Association EVVY Award winner Anthologies The characters in these stories have been forced into conditions of life that they find unbearable and the stories chart their often tragically misguided attempts to relieve their suffering via connections with other people or through the pursuit of addictive attachments to opiates in one story to sleep in another This collection encompasses diverse genres from ecologically informed realism to a Kafkaesque fairy tale from fabulist weird fiction to an episode from *The Odyssey* that

becomes a meditation on what distinguishes human beings from animals These stories invite the reader to reconsider moral and ideological certainties to take a fresh look at such issues as fracking and drone warfare In one story a petroleum engineer discovers that one of his wastewater wells may be causing earthquakes and in another the pilot of an Air Force drone seeks to reconcile his conflicting roles as protector and executioner husband and soldier The scientist and the serviceman are both presented with problems that have no easy or obvious solutions situations that force them to confront the messy compromising complexity of being human

**The Boundaries of Their Dwelling** Blake Sanz, 2021-10-15 Moving between the American South and Mexico these stories explore how immigrant and native characters are shaped by absent family and geography A Chilanga teen wins a trip to Miami to film a reality show about family while pining for the American brother she's never met A Louisiana carpenter tends to his drug addicted son while rebuilding his house after a slew of hurricanes A New Orleans ne'er-do-well opens a Catholic themed bar in the wake of his devout mother's death A village girl from Chiapas baptizes her infant on a trek toward the U.S. border In the collection's second half we follow a Veracruz-born drifter Manuel and his estranged American son Tommy Over decades they negotiate separate nations and personal tragicomedies on their journeys from innocence to experience As Manuel participates in student protests in Mexico City in 1968 he drops out to pursue his art In the 1970s he immigrates to Louisiana but soon leaves his wife and infant son behind after his art shop fails Meanwhile Tommy grows up in 1980s Louisiana sometimes escaping his mother's watchful eye to play basketball at a park filled with the threat of violence In college he seeks acceptance from teammates by writing their term papers Years later as Manuel nears death and Tommy reaches middle age they reconnect embarking on a mission to jointly interview a former riot policeman about his military days in the process father and son discover what it has meant to carry each other's stories and memories from afar

**The Man in the Banana Trees** Marguerite Sheffer, 2024-11-05 The stories in *The Man in the Banana Trees* take place in the past present and future from the American Gulf South to the orbit around Jupiter We meet teachers and students ghosts and aliens An ice cream consultant in the year 2036 predicts a devastating flavor trend and a disgruntled New England waiter investigates a mysterious tanker crash Although wildly varied in setting length and genre a thread of the fantastic unites these stories as characters struggle to understand that thing lurking at the edge of their perception something sinister or maybe miraculous

[You Never Get It Back](#) Cara Blue Adams, 2021-12-15 The linked stories in Cara Blue Adams's precise and observant collection offer elegantly constructed glimpses of the life of Kate a young woman from rural New England moving between her childhood in the countryside of Vermont and her twenties and thirties in the northeast southwest and South in pursuit of a vocation first as a research scientist and later as a writer Place is a palpable presence Boston in winter Maine in summer Virginia's lush hillsides the open New Mexico sky Along the way we meet Kate's difficult bohemian mother and younger sister her privileged college roommate and the various men Kate dates as she struggles to define what she wants from the world on her own terms Wryly funny and shot through with surprising

flashes of anger these smart dreamy searching stories show us a young woman grappling with social class gender ambition violence and the distance between longing and having      *Deer Michigan* Jack C. Buck,2016-09-07 Something quite wonderful happens when you allow yourself to drift through life without a plan of direction writes Jack Buck in his poignant debut story collection The writing in *Deer Michigan* takes this philosophy to heart embracing the flux of fate in over fifty ethereal narratives In one story we meet an exiled Mao on a hiking trail in another the narrator mourns the graceful disappearance of birds Buck s stories ripple with nostalgia a reverence for the natural world and an America with room in which to wander Though the stories in *Deer Michigan* are short in one case spun out in a single sentence they bottle up an expanse of human experience offering us a stunning universe of feeling Allegra Hyde author of *Of This New World*      *What Counts as Love* Marian Crotty,2017-10-15 In these nine stories Marian Crotty inhabits the lives of people searching for human connection Her characters most often young women are honest troubled and filled with longing In the title story a young woman begins a job on a construction site after leaving an abusive marriage In *Crazy for You* two girls spy on a neighbor s sex life while their own sexuality hovers in the distance In *A Real Marriage* a college student marries a boyfriend to help him stay in the United States In *The Fourth Fattest Girl at Cutting Horse Ranch* the daily life of a residential treatment center for eating disorders is disrupted by the arrival of a celebrity The stories are set in Arizona North Carolina Pennsylvania Maryland and the Persian Gulf and often touch on themes of addiction class sexuality and gender *What Counts as Love* is a poignant often funny collection that asks us to take it and its characters seriously      **Everything Flirts** Sharon Wahl,2024 At the heart of the stories in *Everything Flirts* are some of life s trickiest questions Why is it so hard to make the first move on a date How do we find the person we will love If you finally find a person to love how do you convince them to love you back With a mixture of humor and reverence Sharon Wahl hijacks classic works of philosophy and turns their focus to love The sublime and the ridiculous come together to playfully examine why love just might be a topic too hard for philosophers to explain      Father Guards the Sheep Sari Rosenblatt,2020-10-02 In Sari Rosenblatt s collection by turns tender and hilarious we see fathers who are bullies and nervous watchdogs haunted by their own pasts and fear of the future they may never see And who do their daughters become A substitute teacher who encounters mouthy students who believe she s not real Another lands a job on her city s arson squad researching derelict properties their owners might want to burn A beleaguered mother humiliated by the PTA s queen bee finds solace in an ancient piece of caramel candy I keep sucking she says until some flavor no longer caramel comes out In the end this is what all these finely wrought characters want to wring sweetness from what s been passed down to them Rosenblatt s comic sensibility so present in these stories entertains and consoles while seeming to say to her readers you might as well laugh      **The Lovers Set Down Their Spoons** Heather A. Slomski,2014-10-01 Winner of the 2014 Iowa Short Fiction Award Heather A Slomski s debut story collection takes loss as its primary subject and holds it up to the light In prose spare and daring poised yet startling these stories take shape in

reality but reality they sometimes show us is not a separate realm from the fantastic or the surreal Two couples meet for dinner to acknowledge an affair A mannequin recalls a lover and the life she mysteriously lost Two girls observe a young widow s grief through a caf window A man s hat is as discerning as Cinderella s shoe In the fifteen stories that comprise this collection some short as breaths two of them novelettes Slomski writes with a keen eye about relationships About the desires that pull us together and the betrayals that push us apart About jealousy obsession loneliness and regret the byproducts of loving someone that keep us awake at night The characters in these stories share meals drink wine buy furniture and art They live domestic lives so often wanting to love someone yet ending up alone In one story a woman s fianc leaves her when she goes to post some mail In another story a man can t move past an affair his wife almost had Another story describes a series of drawings to detail a couple s end But while loss and heartache pervade these stories there is also occasional hope For as the title story shows us sometimes a breakup isn t an end at all but the beginning of your life      *The Woods* Janice

Obuchowski,2022-11-10 *The Woods* explores the lives of people in a small Vermont college town and its surrounding areas a place at the edge of the bucolic where the land begins to shift into something untamed In the tradition of Elizabeth Strout s *Olive Kitteridge* and Sherwood Anderson s *Winesburg Ohio* these stories follow people who carry private griefs but search for contentment As they try to make sense of their worlds grappling with problems worried about their careers their marriages their children their ambitions they also sift through the happiness they have and often find deep solace in the landscape What do we find in the woods An uplifting of spirit or a quieting of sorrow A sense of being haunted by the past Sometimes rougher more violent things abandoned quarries and feral cats black bears brothers caught up in an escalating war a ghost who wishes to pass on her despair monsters who boom with hollow ecstatic laughter But also songbirds the hermit thrush and the winter wren Rushing rivers glossy with froth A nineteenth century inn that s somehow gotten by all these years And far within a vegetal twilight and constant dusk that feels outside of time This remarkable debut illuminates the ways we all carry within ourselves aspects stark beautiful wild and unknowable      *Not a Thing to Comfort You* Emily

Wortman-Wunder,2019-10-15 From a lightning death on an isolated peak to the intrigues of a small town orchestra the glimmering stories in this debut collection explore how nature damaged fierce and unpredictable worms its way into our lives Here moths steal babies a creek seduces a lonely suburban mother and the priorities of a passionate conservationist are thrown into confusion after the death of her son Over and over the natural world reveals itself to be unknowable especially to the people who study it most These tales of scientists nurses and firefighters catalog the loneliness within families betrayals between friends and the recurring song of regret and grief      ***The Water Diviner and Other Stories*** Ruvanee Pietersz
