

A romantic sunset scene over the ocean. The sun is a bright, glowing orb in the center of the sky, casting a warm, golden light across the clouds and the water. In the foreground, a large, dark, craggy rock sits in the shallow water, its surface reflecting the light. The overall mood is peaceful and nostalgic.

When she smiled, the world smiled with
her, and more than once, I found myself
wishing I was the man she deserved to be
with, the one she had come to Italy to find.

Margaret R. Bergenstjerna,2004-01-01 This is a true story It is a poorly disguised portrait of the author's own life and her love for her husband Axel even as it depicts the life story of her maternal grandmother Emily McAlpin It began in 1913 at a gala evening party at the home of a prominent family in Trenton New Jersey Emily was close to middle age a woman of stunning beauty and charm and with a disarming wit and intelligence When her host introduced the guest of honor the current of a force so far unknown to her embraced her mind and body Alexander a writer by profession looked at her and she knew Two adult married persons fell instantly in love without preliminaries without courting without compromise At that moment the fifty or so other guests seemed to vanish Time stopped Facing scandal family disgrace social ostracism they fled to what was a less hostile environment in Europe The advent of World War I changed life for them as it did for the rest of the world It was many years before Emily could finally divulge her story to her young granddaughter little knowing that the child would cherish her words and 38 years later through the events of her own life bring Emily's story to a happy ending **She Smiled Sweetly**
