## **When The Sparrow Sings:**

**When the Sparrow Sings** Jason Linden, Brooke Howell, 2014-12-13 Zack Hiatt is the best pitcher on maybe the best team in baseball and he is going to the World Series Zack's arrival on the big stage is the culmination of his father's dream as much as his own and Zack has the scars to prove it But before he can even throw a pitch in the Series his father dies in a tragic car accident The first question whether or not to pitch isn't even a question He has to pitch The world demands it of him And so does he What follows is a story about trying to hold it together when you shouldn't have to and about the memories our parents leave with us when they're gone Praise for the book Baseball fiction is hard Well all fiction is hard but baseball fiction is particularly so because the game is so hard to capture What makes Jason Linden's *When the Sparrow Sings* so compelling is that it is easy to forget that it is fiction The baseball feels authentic and close and like the real thing so fleeting Joe Posnanski national columnist for NBC Sports

*The Jazz of Preaching, 20th Anniversary Edition* Kirk Byron Jones, 2025-03-04 Learn to preach from your soul What if preachers were as contagiously joyful in their preaching as Louis Armstrong was in his playing and singing As rich in their sermon renderings as Sarah Vaughn was in her virtuosic vocals As honest about heartache as Billie Holiday every time she sang the blues As alluringly clear as the voice of Ella Fitzgerald As tenaciously uninhibited in the action of creating as Duke Ellington This may be too much ask even of persons who are called by God However as Kirk Byron Jones demonstrates preaching can be enhanced by an understanding of the inner dynamics of jazz The forms rules and styles of jazz can inform one's practice of preaching and its simultaneous structure and spontaneity can help preachers better understand their own art In his classic text for students and practitioners Jones explains how preaching is dramatically improved with the application of key elements of jazz including innovation improvisation rhythm call and response honesty about heartache and delight This 20th Anniversary Edition includes a new element preaching from your genuine soul Chapters include instruction and exercises for applying the jazz elements to preaching preparation and performance This edition also includes an Introduction in which the author sets the context for the new material and articulates his conviction that this approach to preaching is needed now more than ever *The Jazz of Preaching 20th Anniversary Edition* introduces the rich and rewarding possibilities that arise when preachers tap into their own creativity and their own soul when constructing and delivering the sermon
