**SALVATION IS A "BEFORE AND AFTER" EVENT!**

(My Past Life) I was born and raised in a fundamental Muslim community. One must keep in mind that Islam is one of the most rigid religions in the world. Its practices are rigid as well. Many of them are against women. Some of them are the representation of women as the inferior sex, provisions in divorce favoring men, etc. I had to obey Islamic rules and regulations by force. My life was under the sword. I always thought that I am an independent girl and I should have freedom. But I did not have that opportunity in Islam. Though I have tried to make happy the god of Islam. I did not make happy the god of Islam through my work and ritual. As god's expectations were high and I was not able to fulfill the demand. At the age of 18, I became very much mentally disappointed. My family tried to marry me when I was 13 years with an old man who have five wives at a time. I escape from home. I took shelter at one of my relative's homes. I was in a very difficult situation as I didn't have money or food. I just cried over the whole night. I was looking for mental satisfaction but I didn't. After a year of escaping from home, I got a Facebook contact who is a Muslim convert pastor and a renowned speaker. I tried to connect with him over social media. I used very slang words and behaved badly because he left his previous religion. He answered very gently and wisely. I had lots of comparative questions about Christianity and he tried to respond to all of the questions. He (the pastor) asked several challenges about me, my faith, and my eternal life. Here are the challenges.
