What It Is Like To Go To War:

The Engineer ,2013 **Moral Injury** Brad E. Kelle,2020-08-25 Moral injury has developed in earnest since 2009 within psychology and military studies especially through work with veterans of the U S military s wars in Afghanistan and Iraq A major part of this work is the attempt to identify means of healing recovery and repair for those morally injured by their experiences in combat or similar situations What this volume does is to provide insight into the identification of moral injury the development of the notion attempts to work with those affected emerging ideas about moral injury portraits of moral injury in the past and present and especially what creative engagement with moral injury might look like from a variety of perspectives As such it will be an important resource for Christian ministers chaplains health care workers and other providers and caregivers who serve afflicted communities

Off to War Deborah Ellis,2008-08-05 Society of School Librarians International Honor Book Deborah Ellis has been widely praised for her gripping books portraying the plight of children in war torn countries Now she turns her attention closer to home to the children whose parents are soldiers fighting in Afghanistan and Iraq In frank and revealing interviews they talk about how this experience has marked and shaped their lives The children who range in age from 7 to 17 come from all over North America They were interviewed on military bases in the streets in their homes and over the phone The strength of Off to War is that the children are left to speak for themselves with little editorial interference beyond a brief introduction Includes a glossary a list of organizations and websites and suggestions for further reading

Analytic Narratives Robert H. Bates,1998-09-06 How can social scientists draw broad applicable principles of political order from specific historical examples In this volume five senior scholars offer a methodological response to this question The result is both a methodological manifesto and an applied handbook

Creative Teaching for All Jack Zevin,2013-03-13 Read Creative Teaching for All as an antidote to rapidly growing pressures for quick and easy teacher results and constant evaluations Employ creative ideas to resist teaching to the usually factual test and to the many choking rules standards cores and state regulations that strangle motivation and destroy experimentation Reclaim teacher control of curriculum design and instructional methods across all fields by boldly going outside even off the walls where teachers have lived happier lives before the invention of rubrics and rules Become the truly creative teacher to which you have aspired Highlights of the book Explores and expands opportunities for engaging student conversation and ideas Adds variety and depth to your teaching methods Hone questioning and critical thinking skills Move from lower to higher levels Reinvent instruction at home work or in classrooms as places of imagination and enjoyment
