What Should Be In A Employee Handbook

Kerry L. Sommerville

What Should Be In A Employee Handbook:

Complete Employee Handbook Michael A. Holzschu, 2007-08-20 This concise yet comprehensive reference helps employers responsibly and effectively deal with the basic personnel issues they face each day It guides employers in the development of a cohesive personnel program that is tailored to meet their companies unique needs and goals The author explicates potentially confusing matters such as employment at will equal opportunity sexual harassment the disabled and immigrant and legal alien workers in lay terms and points out the dangers of oversight Stressing the importance of consistency and documentation he addresses the full range of personnel issues An invaluable resource for any business that doesn't have a personnel expert on staff CD contains sample employee handbooks federal regulations and laws forms for complying with government programs and worksheets for assessing personnel needs and goals *The Real Employee Handbook* Randy Freking, 2012-07-25 Have you ever looked at your company's employee handbook and had questions about your rights instead of all the company's rules and policies Do you really know the rules for workplace survival and success Have you ever had a question about what your rights are when looking for job while you have been on the job or after you have lost a job This is your REAL employee handbook it tells you what your boss will not tell you This book is written by a lawyer with over 30 years of experience counseling employees about every day issues that arise in American workplaces and is largely a collection of common questions and answers ranging from the very basic What can a prospective employer ask me to the more challenging what should I do if I receive unfair discipline or suspect I am going to be fired to the ultimate should I call a lawyer and how do I find a good one A great gift for people entering the workforce While you may have been given an employee handbook by an employer this book is the real handbook that you need to succeed *Create Your Own Employee Handbook* Lisa Guerin, Amy Delpo, 2013-05-31 Create a handbook for employees spelling out your company's benefits policies and procedures using this practical legal guide Every company no matter how big or small needs to provide workers with an employee handbook Create Your Own Employee Handbook gives you the information and policies all managers HR professionals and business owners need to create their own reader friendly guide no matter what state you live in Each chapter covers a different topic including at will employment hiring pay and payroll workdays and hours performance evaluations benefits discrimination and harassment complaints and investigations leave health and safety substance abuse privacy in the workplace discipline You'll get the lowdown on the legal and practical considerations that apply to each topic in your state plus sample policies that you can use as is or tailor to meet your needs You can even cut and paste the language you need to complete your own handbook instantly This edition is completely updated to reflect recent changes to federal and state law and covers emerging workplace issues such as healthcare reform law and social networking policies Download forms for book at nolo.com **Drafting an Employee Handbook** Mona Mehta Stone, 2011 Drafting an Employee Handbook is a user friendly and practical guide to creating an employee handbook that will help prevent and defend against workplace

disputes Most businesses adopt a reactive approach to addressing employment policies only worrying about them after an issue arises or someone complains However a well written handbook can be a forceful shield against potential grievances and costly litigation Moreover it can improve employee morale increase productivity and forestall complaints Drafting an Employee Handbook is a must have for human resources professionals in house legal counsel compliance officers supervisors or any employer who wants to learn how to create better business practices minimize workplace disruption and improve employer employee relations Written by an experienced labor and employment attorney this easy to follow guide explains the advantages of having an employee handbook and the risks of not having one You will learn how to draft new policies update existing ones and watch for legal compliance Complete with sample policies and forms this book will instruct you on how to create and enforce an employee handbook that fits your needs The Complete Employee Handbook Lsom,2013-11 The Employee Handbook is not only an essential tool of communication to the Company s employees on their terms and conditions of employment but also serves as a means of communicating the Company s Rules and Regulations which are usually not spelt out in the Collective Agreements The basic Employee Handbook generally covers employees who are not embraced by the union s constitution but the modern approach is to include the Executive management terms in a separate section thus the executives management personnel will have all the terms and conditions of all employees but the non exempt employees will only have access to their own terms and conditions the section on communications is shared by all employees Further the Employee Handbook can serve as a contract of employment when a new employee is hired in circumstances where the Offer letter states your terms and conditions of employment are covered in the enclosed Employee handbook The Employer no longer has to write a lengthy offer letter detailing all the terms and conditions in his attempt to cover all aspects of the employee s terms of employment as well as the applicable benefits With the Employee handbook he can write a brief letter of offer specifying the basic salary and major benefits e g car overseas trips perk annually and so forth and the termination notice He can conclude by stating all other terms and benefits are as presented in the Employee Handbook Many Employers feel that in a unionized environment there is no need for the Employee Handbook because the terms of employment are covered in the Collective Agreement The reasons why you should still have an Employee Handbook have been covered above but where you have a Collective Agreement you should state at the beginning of your Handbook after the introduction on the sections of the Handbook that where the terms of the Collective Agreement cover any provision for employees covered by the scope of the Agreement in this Handbook the cognizant provision of the Collective Agreement shall supersede this However for all other employees unless specifically excluded in writing in their respective contracts of service the terms conditions and benefits as specified in the Handbook shall prevail It is not sufficient to handover the Employment Handbook to each employee This should be communicated to all employees preferably in a classroom environment and employees must acknowledge receipt of such Handbook One final thing the existing benefits which are not usually spelt out

in the Collective Agreement can be included here I hope this Employee Handbook will facilitate the process of updating your Company's Handbook in Companies where this exists and the development of new Employee Handbooks in Companies and in countries where such Handbooks are being developed for the first time This will obviate the need for engaging an experienced Human Resource Consultant to develop such a Handbook thereby saving the Company several thousand dollars

LSOM Note To make the Handbook even more comprehensive you could have a section for Executives and Management who enjoy perks not extended to the Non Exempt employees Also you could specify the maximum basic salary beyond which the employee is not qualified to receive overtime The section on Executive Management perks should only be distributed to the personnel concerned Perhaps the most important clause is to incorporate the following into the Employee Handbook

Changes may need to be incorporated in this Handbook relating to your terms and conditions and where these are required these will be communicated to you because these will then form a part of your contract of service

IMPORTANT The Management should ensure all employees acknowledge receipt of the Employee Handbook and file the acknowledgement in the respective employee's personal folder

Create Your Own Employee Handbook Lisa Guerin, Amy DelPo, 2011 Helps business owners managers and HR professionals put employee policies in place for any size company in any state Sample policies are included on CD The 5th edition covers emerging workplace issues such as social networking and product reviews plus changes necessitated by health care reform Provided by publisher

The Employee's Handbook Guide Pasquale De Marco, 2025-05-12 The Employee's Handbook Guide is the essential guide to creating and managing an effective employee handbook This comprehensive resource provides you with everything you need to develop and implement a handbook that meets the needs of your organization and complies with all applicable laws and regulations

In The Employee's Handbook Guide you will find A step by step guide to creating an employee handbook from scratch Sample employee handbook policies and procedures Tips and advice from HR experts Answers to frequently asked questions about employee handbooks Whether you are a small business owner a human resources professional or an employee who wants to understand their rights and responsibilities The Employee's Handbook Guide has something for you

What is an Employee Handbook An employee handbook is a written document that sets out the company's policies and procedures It is a vital part of any organization as it helps to Communicate the company's expectations to employees Protect the company from legal liability Promote a positive work environment Why is an Employee Handbook Important Having a well written and up to date employee handbook is essential for any organization that wants to Attract and retain top talent Maintain a positive work environment Comply with all applicable laws and regulations What Should Be Included in an Employee Handbook The contents of an employee handbook will vary depending on the size and nature of the organization However there are some general topics that should be included in all employee handbooks such as Company policies and procedures Employee benefits Performance management Employee discipline Employee rights How to Create an Employee Handbook Creating an employee handbook
