Monsters: A Speculative and Classical Anthology Djibril al-Ayad, Emma Bridges, 2018-06-04 We have always made monsters in art in myth in religion out of clay or bronze pixels or hybrid flesh from the stuff of human nightmares by cursing women with bestial traits This anthology brings together fiction and accessible academic writing in conversation about monsters and their roles in our lives and ours in theirs Tracking Classical Monsters in Popular Culture Liz

Gloyn, 2019-10-31 What is it about ancient monsters that popular culture still finds so enthralling Why do the monsters of antiquity continue to stride across the modern world In this book the first in depth study of how post classical societies use the creatures from ancient myth Liz Gloyn reveals the trends behind how we have used monsters since the 1950s to the present day and considers why they have remained such a powerful presence in our shared cultural imagination She presents a new model for interpreting the extraordinary vitality that classical monsters have shown and their enormous adaptability in finding places to dwell in popular culture without sacrificing their connection to the ancient world Her argument takes her readers through a comprehensive tour of monsters on film and television from the much loved creations of Ray Harryhausen in Clash of the Titans to the monster of the week in Hercules The Legendary Journeys before looking in detail at the afterlives of the Medusa and the Minotaur She develops a broad theory of the ancient monster and its life after antiquity investigating its relation to gender genre and space to offer a bold and novel exploration of what keeps drawing us back to these mythical beasts From the siren to the centaur all monster lovers will find something to enjoy in this stimulating and accessible book

Morgan's Dragon (Unwanted Mates 8) Marcy Jacks, Siren Everlasting Classic ManLove Erotic Romance Alternative Fantasy Shape shifters Paranormal MM HEA Morgan is a twenty seven year old human who appears older as he s wasted away at the hands of an abusive former mate He s vowed never to love again let alone a dragon shifter However he can t help but notice Conrad a younger dragon new to the clan and a warrior in training with a beautiful laugh and a wonderful smile There s no way he could ever be interested in someone like Morgan Someone with secrets Conrad does notice him and when catching Morgan in an act of defiance against his clan Conrad makes up his mind that Morgan will be his mate He only has to prove himself worthy But when Morgan s old mate returns and begins spilling dirty secrets Morgan may have to grapple with the fact that love was never in his cards Marcy Jacks is a Siren exclusive author The Siren University of Illinois at Urbana-Champaign, 1919 **All Music Guide to Classical Music** Chris Woodstra, Gerald Brennan, Allen Schrott, 2005-09 Offering comprehensive coverage of classical music this guide surveys more than eleven thousand albums and presents

Classical Myth in Alfred Hitchcock's Wrong Man and Grace Kelly Films Mark William Padilla, 2018-12-12 Mark Padilla s classical reception readings of Alfred Hitchcock features some of the director s most loved and important films and demonstrates how they are informed by the educational and cultural classicism of the director s formative years The six close readings begin with discussions of the production histories so as to theorize and clarify how classicism could and did enter the projects Exploration of the films through a classical lens creates the opportunity to explore new themes and ideological investments The result is a further appreciation of both the engine of the director s storytelling creativity and the expressionism of classicism especially Greek myth and art in British and American modernism The analysis organizes the material into two triptychs one focused on the three films sharing a wrong man pattern wrongly accused man goes on the run to clear himself the other treating the films starring the actress Grace Kelly Chapter One on The 39 Steps 1935 finds the origins of the wrong man plot in early 20th century British classicism and demonstrates that the movie utilizes motifs of Homer s Odyssey Chapter Two on Saboteur 1942 theorizes the impact of the director s memories of the formalism and myths associated with the Parthenon sculptures housed in the British Museum Chapter Three on North by Northwest participates in the myths of the hero Oedipus as associated with early Greek epic Freud Nietzsche and Sophocles Chapter Four on Dial M for Murder 1954 returns to Homer s Odyssey in the interpretive use of the lay of Demodocus a story about the sexual triangle of Hephaestus Aphrodite and Ares Chapter Five on Rear Window 1954 finds its narrative archetype in The Homeric Hymn to Aphrodite the erotic theme of Sirius the Dog Star also marks the film Chapter Six on To Catch a Thief 1955 offers the opportunity to break from mythic analogues and to consider the film s philosophical resonances Plato and Epicurus in the context of motifs coalesced around the god Dionysus Bacchus **A Cultural History Of Classical Chinese Gardens** Yi

Wang,2015-03-01 Gardens are a type of landscape art created by the hands of human beings Chinese gardens are not only one of China s traditional cultural treasures but they are also a unique charm of human cultural heritage Literati gardens occupy an essential position among Chinese gardens one of the three major genres of gardens in the world The reason why literati gardens occupy an important position in classical Chinese gardens and even in the entire system of traditional Chinese culture and art lies in their exquisite architecture exotic flowers and whimsical stones available for the exploration and appreciation of the literati More significantly gardens have provided a venue of daily life academic writings artistic creation social gatherings and other cultural activities for ancient Chinese scholars Consequently a wealth of traditional Chinese cultural factors is embedded in the intricate art of landscape architecture The constant integration and interaction of traditional Chinese culture and gardens have in turn nurtured a unique Chinese garden culture Chinese gardens are a critical embodiment of Chinese culture distinctly exemplifying the ancient Chinese patriarchal system the cosmology the personality ideal and other cultural elements The evolution of the cultural history of Chinese gardens is in harmony with the overall process of the Chinese cultural history This book describes the major genres the characteristics and the formation of classical Chinese gardens as well as the relationship between classical Chinese gardens and classical Chinese culture and arts in a more succinct plain language The publisher believes that this book will certainly provide the reader with an authentic and comprehensive overview of the Chinese garden culture Published by SCPG Publishing Corporation and distributed by World Scientific for all markets except China

The Contemporary Guitar John Schneider,2015-08-20 The Contemporary Guitar traces the extraordinary rise of the instrument in concert music over the past century Though recognized worldwide as a popular music icon the all to recent time when the guitar was looked down upon as a second class citizen in the world of serious music is finally past and it can now be found in the scores of the most important composers The guitar s rightful place in chamber music orchestral music or as a solo instrument is now without question whether in the classic acoustic form or the more recent electric version While the guitar has stood in the vanguard of musical experimentation its many new techniques and notations remain a mystery for many composers and players In The Contemporary Guitar musician and scholar John Schneider explains each class of technique and illustrates them with examples Moreover because the guitar is easily refretted it has also become a leading instrument in the exploration of the relatively new musical language of microtonality In this revised and enlarged edition from the original work of three decades ago Schneider adds a broad ranging entirely new chapter on the instruments notation and repertoire with insights into the interpretation of historical works through the application of accurate contemporary tunings and temperaments The guitar s unique timbre its tone color is one of the most versatile among modern instruments both acoustic and electric Most players who intuitively explore the subtleties of tone color will find outlined in The Contemporary Guitar the specific principles of physics that determine these subtleties which once mastered permit guitarists to control more completely the expressive

palette of their instrument Designated the Rational Method of Tone Production by its author Schneider defines in great detail the timbral characteristics of acoustic and electric instruments from theoretical physical and musical viewpoints Players in search of new repertoire will find an historical survey of the literature an exhaustive list of new music and a multitude of techniques for bringing such music to life The Contemporary Guitar provides audio examples online for those seeking to discover new sounds and includes the notation to perform them

Charm in Literature from Classical to Modernism

Richard Beckman,2019-09-16 Charm in Literature from Classical to Modernism Charmed Life discusses charm as both an emotional and aesthetic phenomenon Beginning with the first appearance of literary charm in the Sirens episode of the Odyssey Richard Beckman traces charm throughout canonical literature examining the metamorphoses of charm through the millennia The book examines the works of Chaucer Spenser Shakespeare Milton Pope Wordsworth Coleridge Proust Joyce Mann and others considering the multiplicity of ways charm is defined depicted and utilized by authors Positioning these poems dramas and novels as case studies Beckman reveals the mercurial yet enduring connotations of charm

Inquisition

Toby Green,2008 A break out book by one of our best narrative non fiction authorsEverybody has heard of the Inquisition It was an institution that pursued heretics philandering priests and sexual deviants in Europe Africa Asia and Latin America for a period of over 350 years changing its focus with the times and enduring stubbornly into the nineteenth century Today the word implies dread fear and a withheld threat of torture But who were its targets Why did it provoke such fear How and where did it operate Why was it founded and why did it last for so long Toby Green s incredible new book brings an extraordinary 350 year period vividly to life by focusing on the hitherto untold stories of individuals from all walks of life Because the Inquisition touched every aspect of society it changed the world people attending church had to look suitably devout or they might be denounced a curse at a game of cards thrown out in the heat of the moment could bring an investigation stripping fat from a leg of lamb was enough to excite accusations of being a Jew A secret police and a thought police the Inquisition produced a permanent state of fear This history though filled with stories of terror and the unspeakable ways in which human beings can treat one another is also one of hope and ultimately of the resilience of the human spirit Instead of being cowed by their fear countless people rebelled in small and big ways paving the way for a more inclusive society The story of the Inquisition is not then one to be hidden and avoided it deserves to be told in all its human richness and complexity
