Provides a close look at outstanding principals qualities behaviors and goals      **60-SECOND SWEAT PATRICK STRIET,2016-12-27** The 60 Second Sweat combines hot fitness trends High Intensity Interval Training HIIT and Metabolic Resistance Training MRT into a single efficient and effective training program with each exercise requiring no more than 1 minute at a time There are literally thousands of fitness programs out there to choose from What makes the 60 Second Sweat different For the past 15 years Patrick Striet has run a fitness training facility in Cincinnati Ohio where he has worked with hundreds of every day men and women working moms college students senior citizens middle aged men and more plus a few elite athletes Through this experience he has identified the barriers most people face when it comes to exercising consistently lack of time lack of results injuries boredom and specifically designed the 60 Second Sweat to address them The 60 Second Sweat is Efficient Most mainstream fitness programs call for a 5 to 6 day per week commitment with workouts ranging up to an hour or more in duration What s more most programs focus on one component of fitness in each workout For example you might do cardiovascular exercises for 45 minutes on Monday Wednesday and Friday and then strength train for an hour on Tuesday Thursday and Saturday Who has time for that Not me and probably not you either With the 60 Second Sweat you ll work out between 20 to 40 minutes a day for 3 to 4 days a week and you will never be performing the same exercise or activity for more than 1 minute at a time Effective HIIT high intensity interval training in which you alternate between bouts of intense exercise and short rest periods has been a growing fitness trend for several years now and for good reason Research has shown that it s more effective than traditional steady state workouts for both building cardiovascular fitness and shedding fat However it neglects muscular fitness which is key for boosting metabolism So the 60 Second Sweat combines HIIT with MRT metabolic resistance training to build strength along with cardiovascular fitness in one comprehensive workout Safe Keeping in mind the typical orthopedic issues most real world adult face cranky knees aching backs stiff shoulders and sore necks the 60 Second Sweat gives equal weight to every muscle group and not just the showy mirror muscles emphasized by many fitness programs Exercises progress gradually in difficulty and intensity so that you start seeing results right away building from a beginner level to advanced in just 9 weeks Varied The 60 Second Sweat is a balanced and functional movement based plan requiring basic and fundamental human movement patterns performed with bare bones equipment During the 60 Second Sweat workouts you will never be performing the same exercise or activity for more than 1 minute so you will never get bored Every exercise set rep every minute will count for and towards something developing the best and fittest you Bottom line the days of inefficient archaic time consuming unsafe and impractical fitness workouts are over Based on the most up to date principles in modern exercise science the 60 Second Sweat is a program not just a workout It is not a short term fix but rather a roadmap to the fittest most confident you While the 60 Second Sweat workouts will certainly challenge you and leave you dripping in sweat that s not the end goal The purpose of the programs in this book is for you to attain phenomenal and sustainable fitness safely and realistically 1 minute at a time      *Shane*

*Victorino* Alan Maimon,2014-03-01 Long before Shane Victorino gained fame as a Gold Glove outfielder All Star and fan favorite at Fenway Park he was a precocious child on the island of Maui frustrating teachers with his inability to sit still and tagging along with older boys to neighborhood ball fields For Victorino diagnosed at an early age with attention deficit hyperactivity disorder ADHD sports became an ideal outlet for his boundless energy As the first Maui native ever to appear in a World Series in 2009 Victorino played an integral role in the Philadelphia Phillies victory Readers will be compelled by the story of a young man whose persistence and determination helped him overcome obstacles and emerge victorious at the highest level of his profession This updated edition follows Victorino s path to Boston where the electric outfielder has led the Red Sox back to the top of the standings

**TWELVE O'CLOCK HIGH** W. R. Shepherd,2023-11-08 A classic novel and a favorite of aviation enthusiasts for decades Later adapted into an Academy Award winning film and a popular television series during the 1960s But very few of those fans have ever read the original story and because of that they ve missed the deeper truths characters and moments only found in the novel For example In the movie Lieutenant Jesse Bishop is killed when his bomber explodes on a mission But in the novel Bishop survives only to be captured and sent to a German P O W camp Another example In the movie Sergeant McIlhenny survives But in the novel McIlhenny makes the ultimate sacrifice giving his life to protect General Savage and his crew from an attacking German fighter These are just two of the powerful differences between the versions and there is much more to discover in the complete uncut novel of Twelve O Clock High If you ve only seen the movie or the TV show you don t know the full story Now you can Read the book that shows the courage leadership and sacrifice behind the legend of the 918th Bomb Group You will never look at Twelve O Clock High the same way again
