Jack Lynch, A Biography Dermot Keogh, 2009-09-04 Jack Lynch is one of the most important and perhaps most underrated Irish political leaders of the twentieth century A sportsman who won six All Ireland medals in a row with Cork he was also a civil servant and a barrister before being elected to D il ireann in 1948 During his thirty one years as a parliamentarian he held the ministries of Education Industry and Commerce and Finance before succeeding Se n Lemass as Taoiseach in 1966 Lynch held office during the critical years of the late 1960s and early 1970s when Northern Ireland disintegrated and civil unrest swept through Belfast Derry and other towns This precipitated one of the worst crises in the history of the Irish state Jack Lynch upheld the parliamentary democratic tradition at great personal and political cost even to the point of fracturing the unity of his government and his party If you want to know what happened during those terrible years read this book

A History of Doughty's Hospital, Norwich, 1687-2009 Nigel Goose, Leanne Moden, 2010 Based on primary resources and interviews with current residents and recent trustees this well researched history traces the growth and progress of Doughty s Hospital an almshouse in Norwich England while examining the various philanthropic initiatives and social policies in Britain as a

whole From the hospital's foundation at the bequest of the departed William Doughty in 1687 to its present condition this record considers key aspects of the hospital's development including its residents staff financial management and rules and regulations With chapters on the 18th 19th and 20th centuries this account makes a valuable contribution to the history of social welfare **History of Addenbrooke's Hospital, Cambridge** Arthur Rook, Margaret Carlton, W. Graham

Cannon, 1991 An authoritative and absorbing account of one of Britain's most prestigious hospitals **Youth and Authority**

Paul Griffiths, 1996 In seeking to portray a more positive image of young people in the 16th and 17th centuries this study surveys attitudes and activities to demonstrate that youth had a creative presence an identity and a historical significance which was never fully explored *God's Almost Chosen Peoples* George C. Rable, 2010 Throughout the Civil War soldiers and civilians on both sides of the conflict saw the hand of God in the terrible events of the day but the standard narratives of the period pay scant attention to religion Now in *God's Almost Chosen Peoples* Li **Notorious Antebellum North**

Alabama John O'Brien, 2020-09-21 Before the Civil War North Alabama was infamous for lawlessness The era saw courts filled with defendants who spanned the socioeconomic gamut farmers merchants and politicians In 1811 John B Haynes tore apart William Badger's house with his bare hands Rodah Barnett ran a series of ill-reputed brothels in the early 1820s In 1818 Rebecca Layman accidentally gave her husband sulfuric acid instead of rum There is even a case of assault with frozen corn Author John O'Brien relays these and more stories of the shady side of North Alabama during the antebellum period

England's Culture Wars Bernard Capp, 2012-07-05 Following the execution of the king in 1649 the new Commonwealth and then Oliver Cromwell set out to drive forward a puritan reformation of manners They wanted to reform the church and its services enforce the Sabbath suppress Christmas and spread the gospel They sought to impose a stern moral discipline to regulate and reform sexual behaviour drinking practices language dress and leisure activities ranging from music and plays to football England's Culture Wars explores how far this agenda could be enforced especially in urban communities which offered the greatest potential to build a godly civic commonwealth How far were local magistrates and ministers willing to cooperate and what coercive powers did the regime possess to silence or remove dissidents How far did the reformers themselves wish to go and how did they reconcile godly reformation with the demands of decency and civility Music and dancing lived on in genteel contexts early opera replaced the plays now forbidden and puritans themselves were often fond of hunting and hawking Bernard Capp explores the propaganda wars waged in press and pulpit how energetically reformation was pursued and how much or little was achieved Many recent historians have dismissed interregnum reformation as a failure He demonstrates that while the reforming drive varied enormously from place to place its impact could be powerful The book is therefore structured in three parts setting out the reform agenda and challenges surveying general issues and patterns and finally offering a number of representative case studies It draws on a wide range of sources including local and central government records judicial records pamphlets sermons newspapers diaries letters and memoirs and demonstrates

how court records by themselves give us only a very limited picture of what was happening on the ground *Calendar of Transcripts* Virginia State Library. Archives Division, 1905 **Begging, Charity and Religion in Pre-famine Ireland**

Ciarán McCabe, 2018 Beggars and begging were ubiquitous features of pre-Famine Irish society yet have gone largely unexamined by historians. This book explores at length for the first time the complex cultures of mendicancy as well as how wider societal perceptions of and responses to begging were framed by social class, gender and religion. The study breaks new ground in exploring the challenges inherent in defining and measuring begging and alms giving in pre-Famine Ireland as well as the disparate ways in which mendicants were perceived by contemporaries. A discussion of the evolving role of parish vestries in the life of pre-Famine communities facilitates an examination of corporate responses to beggary while a comprehensive analysis of the mendicity society movement which flourished throughout Ireland in the three decades following 1815 highlights the significance of charitable societies and associational culture in responding to the perceived threat of mendicancy. The instance of the mendicity societies illustrates the extent to which Irish commentators and social reformers were influenced by prevailing theories and practices in the transatlantic world regarding the management of the poor and deviant. Drawing on a wide range of sources previously unused for the study of poverty and welfare, this book makes an important contribution to modern Irish social and ecclesiastical history. An Open Access edition of this work is available on the OAPEN Library.

Through Sunshine and Shadow Sharon Anne Cook, 1995-07-18 Using an extensive array of primary sources including local WCTU minute books and correspondence, Cook describes the origins, structures, strategies and achievements of the Ontario WCTU in the late nineteenth and early twentieth centuries. She discusses the importance of its positions on such issues as Social Purity, women's franchise, the appropriate role of single women, working women's rights, the treatment of female offenders and the effect of the WCTU's youth work. Cook traces the empowerment of women in the WCTU to the union's evangelical roots, arguing that the views of the Ontario WCTU were grounded in a vision of society that based the development of a moral society on the family unit and its moral centre, the mother.

Musical Culture and the Spirit of Irish Nationalism, 1848-1972 Richard Parfitt, 2019-08-19 *Musical Culture and the Spirit of Irish Nationalism* is the first comprehensive history of music's relationship with Irish nationalist politics. Addressing rebel songs, traditional music and dance, national anthems and protest song, the book draws upon an unprecedented volume of material to explore music's role in cultural and political nationalism in modern Ireland. From the nineteenth century Young Irelanders, the Fenians, the Home Rule movement, Sinn Féin and the Anglo-Irish War to establishment politics in independent Ireland and civil rights protests in Northern Ireland, this wide-ranging survey considers music's importance and its limitations across a variety of political movements.

"O Lord, Thy Word is Settled in Heaven": A Celebration of the History of Mount Pleasant Road Baptist Church, 1920-2013,

Rural Democracy Marilyn P. Watkins, 2019-05-15 What happens to social movements in rural settings when they do not face the divisive issues of race and class? Marilyn Watkins examines the stable political climate built

by successive waves of Populism socialism the farmer labor movement and the Grange in turn of the century western Washington She shows how all of these movements drew upon the same community base empowered farmers and encouraged them in the belief that democracy independence and prosperity were realizable goals Indeed they were in a setting where agriculture was diversified farmers were debt free and critically women enjoyed equal status as activists in social movements Rural Democracy illuminates the problems that undermined Populism and other forms of rural radicalism in the South and the Midwest by demonstrating the political success of those movements where such problems were notably absent in Lewis County Washington By so doing Watkins convincingly demonstrates the continuing value of local community studies in understanding the large scale transformations that continue to sweep over rural America
