of God the church becomes the Israel of God which fulfills God's commission to subdue the earth to exercise dominion and to represent God with His authority. As the Israel of God we represent God, exercise His authority and carry out His administration on earth for the fulfillment of His purpose. If we take the Father's will upon us as a yoke and learn from Him we will find rest for our souls. Hence in the church age we need to enjoy Christ as our rest, our perfect peace and full satisfaction in order to be His expression and representation on earth. When there is a situation on earth in which man expresses God and represents Him that situation is a Sabbath rest to God. Everything of God's economy is not a heavy burden but an enjoyment. The Lord's yoke, the Father's will is easy and His burden, the work to carry out the Father's will is light. It is a divine principle that God does not ask us to work until we have had rest and enjoyment. It is in a full enjoyment with Him and of Him that we can work together with Him. A central aspect of God's will is the church which is the assembly of the called out ones. As such the meetings of the church are crucial to the carrying out of God's will. Our doing God's will depends on our knowing His will and it is in the meetings that God makes His will known to us. Since the Christian life is a meeting life and much of the Lord's work is carried out in and through the meetings we should regard the meetings as being of great importance. The goal of our meeting together is to exhibit Christ; therefore our Christian meetings should be an exhibition of our experience of Christ in our daily life. Since the Father's eternal will and the desire of His heart are to build up the church as the Body of Christ we do His will by functioning in the meetings according to the scriptural way to meet for the building up of the Body.
