At His Gates, Volume 2 (of 3) Margaret Oliphant, 2015-03-09 Example in this ebook: CHAPTER I Helen had still another incident before her, however, ere she left St Mary's Road. It was late in the afternoon when she went back. To go back at all to enter the dismantled place and have that new dreary picture thrust into her mind instead of the old image of home was painful enough, and Norah's cheeks were pale, and even to Helen the air and the movement conveyed a certain relief. They went into the quieter part of the park and walked for an hour or two, saying little. Now and then poor Norah would be beguiled into a little monologue to which her mother lent a half attention, but that was all. It was easier to be in motion than to keep still, and it was less miserable to look at the trees, the turf, the blue sky than at the walls of a room which was full of associations of happiness. They did not get home until the carriages were beginning to roll into the park for the final round before dinner. And when they reached their own house, there stood a smart cabriolet before it, the horse held by a little tiger. Within the gate, two gentlemen met them coming down the steps. One of them was a youth of eighteen or nineteen who looked at Helen with a wondering, awe-stricken glance. The other was Mr. Golden. Norah had closed the garden door heedlessly after her. They were thus shut in the four together, confronting each other, unable to escape. Helen could not believe her eyes. Her heart began to beat, her pale cheeks to flush, a kind of mist

of excitement came before her vision Mr Golden too was not without a certain perturbation He had not expected to see any one He took off his hat and cleared his voice and made an effort to seem at his ease I had just called he said to express to inquire I did not know things had been so far advanced I would not intrude for the world Oh cried Helen facing him standing between him and the door how dare you come here Dare Mrs Drummond I I don t understand You do understand she said better far better than any one else does And how dare you come to look at your handiwork A man may be what you are and yet have a little shame Oh you robber of the dead if I had been anything but a woman you would not have ventured to look me in the face He did not venture to look her in the face then he looked at his companion instead opening his eyes and nodding his head slightly as if to imply that she was crazed It is only a woman who can insult a man with impunity he said but I hope I am able to make allowance for your excited feelings It is natural for a lady to blame some one I suppose Rivers let us go Not till I have spoken she cried in her excitement This is but a boy and he ought to know whom he is with Oh how is it that I cannot strike you down and trample upon you If I were to call that policeman he would not take you I suppose You liar and thief don t dare to answer me What at my own door at the door of the man whose good name you have stolen whom you have slandered in his grave oh my God who has not even a grave because you drove him mad she cried her eyes blazing her cheeks glowing all the silent beauty of her face growing splendid in her passion The young man gazed at her as at an apparition his lips falling apart his face paling He had never heard such a voice never seen such an outburst of outraged human feeling before To be continue in this ebook *Enchanting & Fantastical Bedtime Stories for Stressed Out Adults 2 Books in 1* Sleptime Publications, Two books Twice the magic Complete calm Escape stress quiet your mind and drift into peaceful sleep Struggling to unwind after a long day Do racing thoughts and worries steal your rest This 2 in 1 collection brings together Enchanting Bedtime Stories for Stressed Out Adults and Fantastical Bedtime Stories for Stressed Out Adults to guide you gently into deep restful sleep with tales of magic mystery and tranquility Follow Liora s journey through The Moonlit Bard s Quest explore the celestial beauty of The Skykeeper s Lantern and find peace in The Dragon s Last Wish Walk the endless paths of The Garden of Endless Paths uncover time s mysteries in The Clockmaker s Secret and embrace hope in The Silent Heir Each story is designed to soothe your mind release stress and carry you into a world of calm and wonder Inside you ll find Magical and Fantastical Stories to calm your mind and spark your imagination Bite Sized Chapters perfect for winding down at bedtime Soothing Themes of discovery kindness balance and renewal Screen Free Escapes that transport you away from daily worries into restful peace Let go of stress step into magical worlds and discover the joy of falling asleep with ease Enchanting Fantastical Bedtime Stories for Stressed Out Adults is your nightly retreat into calm and wonder Get your copy today and make bedtime the best part of your day *Bedtime Stories for Adults 2-in-1* Sleptime Publications, Drift Into a World of Magic Tranquility Before Sleep Tossing and turning at night Struggling to quiet your racing thoughts Escape into a world of soothing storytelling with Bedtime Stories for Adults 2 in 1 Relaxing Tales Sleepy
