The Worshiping Life Lisa Nichols Hickman, 2004-12-01 In this unique and engaging book of meditations pastor Lisa Nichols Hickman delves into the life of worship seeking to reveal its rhythms and order There are twenty chapters each a meditation on an element of worship reflecting on how that particular element plays out not only in a service of worship but more importantly in everyday life **Hearing Things** Leigh Eric Schmidt, 2002-11-30 Faith cometh by hearing so said Saint Paul and devoted Christians from Augustine to Luther down to the present have placed particular emphasis on spiritual arts of listening In quiet retreats for prayer in the noisy exercises of Protestant revivalism in the mystical pursuit of the voices of angels Christians have listened for a divine call But what happened when the ear tuned to God's voice found itself under the inspection of Enlightenment critics This book takes us into the ensuing debate about hearing things an intense entertaining even spectacular exchange over the auditory immediacy of popular Christian piety The struggle was one of encyclopedic range and Leigh Eric Schmidt conducts us through natural histories of the oracles anatomies of the diseased ear psychologies of the unsound mind acoustic technologies from speaking trumpets to talking machines philosophical regimens for educating the senses and rational recreations elaborated from natural magic notably ventriloquism and speaking statues Hearing Things enters this labyrinth all the new disciplines and pleasures of the modern ear to explore the fate of Christian listening during the Enlightenment and its aftermath In Schmidt's analysis the reimagining of hearing was instrumental in constituting religion itself as an object of study and suspicion The mystic's ear was hardly lost but it was now marked deeply Inheriting Paradise Vigen Guroian, 2001 In the tilling of fresh earth the sowing of seeds the with imposture and illusion harvesting of rhubarb and roses Vigen Guroian has discovered the most concrete connection with life and God's gracious giving **Reading Buechner** Jeffrey Munroe, 2019-11-19 Frederick Buechner is one of the most gifted writers of his generation with an important legacy as a memoirist novelist theologian and preacher In this book Buechner expert Jeff Munroe presents a collection of the true essentials from across Buechner's diverse catalog as well as an overview of Buechner's life and a discussion of the state of his literary legacy today The Jazz of Preaching, 20th Anniversary **Edition** Kirk Byron Jones, 2025-03-04 Learn to preach from your soul What if preachers were as contagiously joyful in their

preaching as Louis Armstrong was in his playing and singing As rich in their sermonic renderings as Sarah Vaughn was in her virtuosic vocals As honest about heartache as Billie Holiday every time she sang the blues As alluringly clear as the voice of Ella Fitzgerald As tenaciously uninhibited in the action of creating as Duke Ellington This may be too much ask even of persons who are called by God However as Kirk Byron Jones demonstrates preaching can be enhanced by an understanding of the inner dynamics of jazz The forms rules and styles of jazz can inform one s practice of preaching and its simultaneous structure and spontaneity can help preachers better understand their own art In his classic text for students and practitioners Jones explains how preaching is dramatically improved with the application of key elements of jazz including innovation improvisation rhythm call and response honesty about heartache and delight This 20th Anniversary Edition includes a new element preaching from your genuine soul Chapters include instruction and exercises for applying the jazz elements to preaching preparation and performance This edition also includes an Introduction in which the author sets the context for the new material and articulates his conviction that this approach to preaching is needed now more than ever The Jazz of Preaching 20th Anniversary Edition introduces the rich and rewarding possibilities that arise when preachers tap into their own creativity and their own soul when constructing and delivering the sermon **Constructive Theology** Serene Jones, Paul Lakeland, 2005-01-01 Coordinated by Serene Jones of Yale Divinity School and Paul Lakeland of Fairfield University fifty of North America's top teaching theologians members of the Workgroup on Constructive Christian Theology have devised a text that allows students to experience the deeper point of theological questions to delve into the fractures and disagreements that figured in the development of traditional Christian doctrines and to sample the diverse and conflicting theological voices that vie for allegiance today The Jazz of Preaching Kirk Byron Jones, 2010-09-01 What if preachers were as contagiously joyful in their preaching as Louis Armstrong was in his playing and singing As rich in their sermonic renderings as Sarah Vaughan was in her musical vocals As honest about heartache as Billie Holiday was every time she sang about the blues of life As alluringly clear as the angelic voice of Ella Fitzgerald As tenaciously uninhibited in the action of creating as Duke Ellington Of course this is too much to ask of people even those called by God However it is not too much to ask this question Can preaching be enhanced through the metaphor of jazz Can an understanding of the inner dynamics of jazz its particular forms rules and styles inform one s practice of preaching as well Can jazz s simultaneous structure and spontaneity help preachers better understand their own art The answer to these questions says Jones is an unqualified yes He explains how one can dramatically improve one s preaching through understanding and applying key elements of the musical art form known as jazz No musical background is necessary all examples are well explained and tied in with preaching The key elements include innovation what one commentator refers to as the experimental disposition of jazz improvisation rhythm call and response honesty about heartaches and delight After discussing the reality and role of each of these elements in jazz and how they can be important for preaching as well each chapter concludes with five

exercises for applying the jazz element to preaching preparation and performance Drawing on a deep love of jazz and enlivening the discussion with insights drawn from the realities of African American preaching Jones introduces readers to rich and rewarding possibilities for constructing and delivering the sermon Psalms for Preaching and Worship Roger E. Van Harn, Brent A. Strawn, 2009-04-10 Psalms for Preaching and Worship a key addition to the critically acclaimed three volume Lectionary Commentary Despite the rich resources available for studying the Psalms few are as focused on their place in worship and preaching as is this volume The responsorial Psalms of the Revised Common Lectionary are here taken up in careful and often illuminating interpretation with attention also to their interaction with other lectionary texts The many ways that psalms can function meaningfully in the liturgical life of congregations are explored especially in John Witvliet's concluding section I know of no work that combines practice and substance better than this lectionary commentary Patrick D Miller Princeton Theological Seminary A fascinating book well organized well written and edited thorough and informative An excellent resource not only for preachers using the Revised Common Lectionary but also for those wishing to preach a series of sermons on the Psalms In addition worship leaders and worship committees will appreciate the many excellent ideas for using the Psalms in worship Highly recommended Sidney Greidanus author of Preaching Christ from the Old Testament and Preaching Christ from Genesis Here is something even better than a simple completion of The Lectionary Commentary which would be cause enough for gratitude Serious attention paid to this one book could go a long way toward remedying the scandalous neglect of the treasure of the Psalms in too much contemporary worship Marguerite Shuster Fuller Theological Seminary Contributors Nancy R Bowen William P Brown Walter Brueggemann Richard J Clifford Nancy L deClaiss Walford Jennifer S Green Karl N Jacobson Rolf A Jacobson Melody D Knowles Eunny P Lee Joel M LeMon James Limburg J Clinton McCann James K Mead Carol A Miles Luke A Powery Stephen Breck Reid Sandra L Richter Cynthia L Rigby Kathryn L Roberts Brent A Strawn Beth LaNeel Tanner Roger E Van Harn Raymond C Van Leeuwen J Ross Wagner Gerald H Wilson John Witvliet Christine Roy Yoder <u>Living with Loss</u> Dan Moseley, 2007 All Skye Dearborn s wishes seem to be coming true but someone with a twisted obsession is now controlling her fate Will Skye's new life prove to be all that she s dreamed of or a nightmare she can t escape Washed and Waiting Wesley Hill, 2010-11-29 Yet many who sit next to us in the pew at church fit that description says author Wesley Hill As a celibate gay Christian Hill gives us a glimpse of what it looks like to wrestle firsthand with God's No to same sex relationships What does it mean for gay Christians to live faithful to God while struggling with the challenge of their homosexuality What is God s will for believers who experience same sex desires Those who choose celibacy are often left to deal with loneliness and the hunger for relationships How can gay Christians experience God s favor and blessing in the midst of a struggle that for many brings a crippling sense of shame and guilt Weaving together reflections from his own life and the lives of other Christians such as Henri Nouwen and Gerard Manley Hopkins Hill offers a fresh perspective on these questions He advocates neither unqualified healing for those who

struggle nor their accommodation to temptation but rather faithfulness in the midst of brokenness I hope this book may encourage other homosexual Christians to take the risky step of opening up their lives to others in the body of Christ Hill writes In so doing they may find as I have by grace that being known is spiritually healthier than remaining behind closed doors that the light is better than the darkness **Forbearance** James Calvin Davis, 2017 Offers a faithful constructive way to deal with dissent What happens when we approach disagreement not as a problem to solve but as an opportunity to practice Christian virtue In this book James Calvin Davis reclaims the biblical concept of forbearance to develop a theological ethic for faithful disagreement Pointing to Ephesians and Colossians in which Paul challenged his readers to bear with each other in spite of differences Davis draws out a theologically grounded practice in which Christians work hard to maintain unity while still taking seriously matters on which they disagree The practice of forbearance Davis argues offers Christians a dignified graceful and constructive way to deal with conflict Forbearance can also strengthen the church's public witness offering an antidote to the pervasive divisiveness present in contemporary culture **Uncovering Your Path** Charles Lattimore Howard, 2025-05-06 From an Ivy League university chaplain comes a profound collection of spiritual reflections designed for people everywhere including recent college graduates looking to find their way and their why Who am I What is my purpose and What should I do with my life are questions that all of us find ourselves asking at some point or another In this deeply transformative and lyrical book Charles Chaz Lattimore Howard offers a helpful guide as we venture to answer these questions for ourselves inviting us to slow down to actually walk the journey of life and to allow our path to reveal itself to us From an enlightening conversation with a Jain college student about the principle of non violence to a heartwarming episode coaching basketball to an anxious school aged child Chaz shares how everyday moments can help you discern your purpose in the universe Bolstered with poignant anecdotes that follow Chaz's journey as a priest professor student parent spouse social justice advocate and religious leader Uncovering Your Path will fill you with renewed vigor inspire introspection and encourage you to find your place in God's world **Something More** John Pritchard, 2016-06-16 In this highly readable book John Pritchard explores around 20 experiences common to us all Each of these he believes offers us a route to a more authentic existence an insight into some aspect of the divine Whether you are just starting out on spiritual exploration or have some experience of signs of transcendence this book will reassure you are on the right track and point the way forward to the beyond in the everyday the something more we are forever designed to seek **Sunday Comes Every Week** Frank G.
