Performed Culture in Chinese Language Education Guangyan Chen,2020-06-22

Performed Culture in Chinese Language Education A Culture Based Approach for U S Collegiate Contexts elaborates on a cultural awareness oriented cultural performance based and cross cultural communication focused foreign language pedagogical paradigm Performed Culture Approach in the context of U S collegiate Chinese language education Guangyan Chen draws on the data

collected through questionnaires comparisons between this pedagogy and mainstream pedagogical frameworks and analyses of curricular development lesson plans and classroom discourses Chen promotes the performed culture approach by delineating the theoretical framework of this pedagogy reporting studies that empirically support cultural primacy in Chinese language education and illustrating this pedagogy through analyses of a curricular structure a lesson plan and classroom discourses Chen shows how this pedagogy addresses the gaps between the social need for global citizens and the insufficient integration of culture into foreign language education The performed culture approach also addresses the overall drop in U S collegiate foreign language enrollment as this pedagogy connects foreign language programs to university missions and social needs

The Reflexive Diversity Research Programme Andrea D. Bührmann,2021-02-04 Diversity is both a cause for controversial discussions and an opportunity to reflect on social participation This book offers a

basic introduction to important currents in diversity research by presenting central theoretical determinants of the research perspective An analysis of the diversity strategy and its implementation at the University of California Berkeley serves as an empirical practical example in this regard In particular this case study illustrates the intersectional research perspective and the multi level and multi method research design of reflexive diversity research In the sense of reflexive constructivism the practice of research itself is reflected using the example of the case study
