Just One Kiss is a second chance at first love story and is filled with heartbreaking and heartwarming moments. Patti Goodreads: Hannah Stark takes care of everyone else from the patients she nurses back to health to her family who can never seem to get it together. She'd love to find someone she can trust, someone she can lean on, someone she can love, but that someone will not be Jake McKenna. The ruggedly attractive owner of Adventure Sports might still make her palms sweat, but Jake broke her teenage heart years ago. In the twelve-plus years since they were a couple, Jake has given up on forgiveness from Hannah. He'd really like the chance to set the record straight, but that would mean revealing secrets he has sworn to protect. So they dance around each other, never getting close enough to the lingering sparks to start another fire. A stormy Christmas eve at the lake changes everything. A woman in trouble and a death-defying rescue gives them a chance to start over as they are now, if they can find the courage to trust each other. Will these two enemies turn into lovers or will they reject the fate that has once again thrown them together? Don't miss this heartwarming, irresistibly
