Tci Training Manual:

Learning how to handle controversial issues in schools and other education settings David Kerr, Ted Huddleston, 2021-01-13 Learning how to deal with controversial issues is at the heart of education for democratic citizenship and human rights education Highlighting best practices from case studies across Europe this guide offers innovative approaches and practical tools to handle controversy in schools effectively Controversy and controversial issues are at the centre and at all levels of our democratic societies This means that learning how to deal with such issues must always be at the heart of an effective education for democratic citizenship and human rights education EDC HRE That learning takes place in schools and other education settings as children and young people progress in their education from early years through primary lower secondary and upper secondary phases into tertiary and higher education and beyond The Council of Europe has an outstanding record in promoting education for democratic citizenship human rights education and intercultural dialogue and in fostering and teaching about the importance of democratic culture It is therefore fitting that the Council of Europe in partnership with the European Union through the Joint Programme Democratic and Inclusive School Culture in Operation DISCO formerly known as the Human Rights and Democracy in Action Pilot Projects Scheme has helped to facilitate the creation of this very timely good practice guide which complements the manuals Teaching controversial issues and Managing controversy

No Crash Landings Matthew Madaus, 2025-10-13 In a society experiencing concerning levels of prevalence and intensity of mental health distress among young people No Crash Landings serves as a practical guide for current and emerging leaders of behavioral health organizations to ensure they can maintain a high standard of care for the youth they serve Written by an experienced expert in the field the book helps leaders navigate the challenges of maintaining high quality care in the face of limited resources and growing demand Through real world case studies based on anonymized legal cases the book offers actionable strategies to manage risks ensure safety and foster an organizational culture that prioritizes the well being of both clients and staff

Total Intravenous Anesthesia and Target Controlled Infusions Anthony R. Absalom, Keira P. Mason, 2017-03-01 This is a comprehensive and authoritative presentation of total intravenous anesthesia TIVA and target controlled infusion TCI The editors international reputation has enabled them to recruit leading experts from around the world to write single author chapters in their area of expertise Total Intravenous Anesthesia and Target Controlled Infusions is the first multi disciplinary globally authored volume on the topic Providing a single source of information on all aspects of TIVA and TCI from pharmacologic modeling and the pharmacology of intravenous anesthetic drugs to practical considerations in the clinical setting and the requirements of special populations Total Intravenous Anesthesia and Target Controlled Infusions examines the debate about the risks and advantages of TIVA analyze outcome studies and provides guidance on creating a curriculum to teach TIVA and TCI
