estimated that there will be a potential shortfall of above 2 10 000 IT and ITES professionals in India by the year 2012 and demand will out pace the supply Though the Indian IT industry is in a strong position to leverage this global software opportunity as India currently has one of the world s largest most qualified pools of scientific and engineering manpower this growing global demand is not only for numbers but also for appropriately skilled industry oriented professionals as companies are further scaling their operations and offering high value added services which involve higher levels of technology and more specialized higher end services Hence firms which want to maintain their competitive advantage have to carefully recruit and select the most suitable out of the large pool of available manpower Moreover according to a recent study by McKinsey Co although the potential supply of talent in low wage countries such as India is large and growing rapidly only a fraction of the job candidates could successfully work at a foreign company on account of their limited suitability i e though there are many candidates with the technical skills to fill a position they may not have the cultural skills to fit in with the organisation The same issue is also faced by large globally competitive domestic Indian firms who are competing for the same pool of talent and skills as their foreign counterparts to remain competitive and survive in global and domestic markets   *Resources in Education* ,1990   *A Collection of Technical Papers* ,1994   **Goa Police SI | 15 Practice Sets and Solved Papers Book for 2021 Exam with Latest Pattern and Detailed Explanation by Rama Publishers** Rama Publishers,2021-08-26 Book Type Practice Sets Solved Papers About Exam The Goa Police SI exam is conducted every year for the recruitment of Sub Inspectors in the Goa police force The higher officials of Goa Police are planning to release the notifications to recruit the post of 1097 Police Sub Inspector Constable Searcher Asst Sub Inspector Photographer Laboratory Technician Stenographer LDC vacancies Being an SI in Goa police is a matter of pride and respect The candidates must be between 20 to 28 years of age The candidates must have a degree from a recognized institute or 10 2 and a Diploma in Security and Investigation Technology from a recognized university The candidates will undergo Document Verification Physical Measurements Physical Efficiency Test and Written Test Subjects Covered Mathematics General Knowledge General English and Logical Reasoning Exam Patterns The Written Test will be conducted for a total of 100 Marks Each question carries 1 Mark The Question Paper consists of 4 sections The Time duration for the exam will be of 02 Hours Negative Marking NO Conducting Body Goa Police Recruitment Board Exam Level State Level   **Sessional Papers** Great Britain.
