

Teacher Poem

You've worked so hard for many years,
so many children taught
and today as you retire for good
we leave you with this thought.
You have touched so many lives,
and futures helped to mould,
so as you start a chapter new
your memory we will hold.
Know that we are grateful,
for everything – its true!
You're one in a million, and so we say
Happy Retirement to you!

Teacher Assistant Retirement Poem:

Prize Poems ,1860 **The Young Gentleman and Lady's Monitor, and English Teacher's Assistant** John Hamilton Moore,1806 The Young Gentleman and Lady's Monitor, and English Teacher's Assistant ,1824 The Young Gentlemen and Lady's Monitor, and English Teacher's Assistant John Hamilton Moore,1824 **Collected Poems 2020** Carmine Giordano,2020-04-22 The poems in this volume are the author s attempts to put into words some of the inner particulars of his eighty year journey on the planet and to share the amazing discoveries realizations and frustrations he has experienced trying to make verbal translations of that adventure Many of the poems acknowledge the inadequacy of our alphabet sounds and words to adequately represent our emotions ideas and sensory experiences Words are stand ins written or spoken sound symbols maps for our inner territories and not the territories themselves The poem Onomatopoesis asserts that the vowels howl out and the consonants deter deflect conflict but do not actually share what we have experienced Another Piecemeal states that what you re looking for is always hiding in the spaces between the words The author hopes readers will use their own intuitive experiences to find whatever of him is hiding between his words and be left with some wonder and appreciation **POEMS OF EVERYDAY LIFE** DANNY L. NOSS,2010-12-08 This book includes poems about many things that happen in life I have written these poems from experiences that I have lived things that my friends co workers and others have passed on to me and things that have just popped out of my head I feel that at least one of the poems in this book should bring back one or more memories of something that has happened in your life or somebody you know It could bring back memories of joy and happiness or memories that you have tried to forget I hope that the poems in this book bring you joy and happiness plus some add a few moments of humor to your life If a poem happens to bring back bad memories I hope the way that the poem is written will help you put your thoughts behind you and let you enjoy the rest of your life When you are reading this book you will find yourself changing the name s in a poem or multiple poems with the name of one person or many people that you know I enjoyed bringing the words in these poems to life for your reading I want to thank you for purchasing this book so that I may share my feelings and observations with other people *Poems by Ruth* Ruth Henderson Lowe,2010 **Poems of Love, Life and Love Ones** Herman L. Cannon,2011-07-19 He has been writing poetry over the past 45 years and seem to enjoy ro mantic poetry more so than any other form However he has shown the ability to write other forms including the writing of speeches He began writing around 15 years old as a first year high schooler By the time he became a senior he had compiled quite a number of poems in a tablet These poems were written as a result of being in love After graduation from high school he shared his poetry with co workers and friends He has always felt that he was blessed with the inate ability to choose words that expressed his inner feelings Being told by many that you ought to publish your poetry for all to enjoy has been repeatedly said over the past 50 years This book of poetry will attempt to bring out a feeling of warmth and memories of someone in your life that made you feel special Hopefully it will arouse your

inner emotions and allow you to reflect on the goodness of relatives friends and love ones who were instrumental in making life beautiful for you Many of the poems depict an awareness of nature and the beauty that lies within In many cases the elements whether it be wind rain or snow has a message for us depending on our mood The sky sun moon and even the stars depending on your state of mind can send messages to your heart that could make your liver quiver Finally I suggest that you place a photo to the left page of the poem that you are about to read or you may do it after I really think this would give greater meaning and feeling for the poem

Wisdom of the Soul Ms. Dorothy Jones,2001-10-11 The purpose of this book of poetry entitled Wisdom Of The Soul is to attempt to strengthen and enlighten not to judge nor condemn Its purpose also is to touch the lives and to share in the encouragement of others and hopefully touching their hearts and saving of souls The author speaks out through her poetry for those who want and need to be heard Her desire is to reach the world of the needy whether it be a spiritual need natural need emotional need or any or all of these factors She desire her poetry to be a positive orator conveying the fact that love faith hope and all goodness and truth overcomes hatred fear prejudice and all wrong doings and evil intentions Through the writing of poetry the author submerge deeply within herself going beyond her mind but into her heart and soul emerging with the truths which convicted her to write with experience strong conviction and ardent passion for those who have been and still are victimized by various forms of conflicts and adversities in their lives She desire the words of her poetry to come forth pure and clean edged going beyond the surface from depth to depth and to be a blessing and beneficial to all The author continually attempt to instill in others through poetry the importance of living within the bounds of righteousness in order to inherit the kingdom of God for unrighteousness shall not inherit the kingdom of God She emphasize the fact that we need to get ourselves ready for the coming of our Lord Jesus Christ We are living in the last time and Jesus Christ is still extending his love and mercy toward mankind wanting all men to be saved and come to the knowledge of the truth We must put aside all ungodliness and seek Gods face putting him first in our lives The author desires her poems to capture the suppressed emotions that ones are too shy embarrassed or intimidated to express openly for fear of retaliation from others We must not be afraid to speak out for truth and justice fearing no man who can only destroy our bodies but fearing only God who can destroy both body and soul The author writes about life and about death She attest to the belief that our mortal lives

should be lived to the fullest daily in God's way and after his will in order to obtain immortality and eternal life. Thus death in the end shall have no dominion over Eternal Life and there is hope beyond the grave if we die in Christ Jesus. To fear the Lord Jesus, to grow in grace and knowledge of him, to love, to be pure and faithful and to do all things in spirit and in truth is to truly obtain spiritual wisdom.
