Peril, 2013-12-16 From board games to beauty pageants a smart witty pop culture history of the perilous path to achieving  
the feminine ideal Deluged by persuasive advertisements and meticulous though often misguided advice experts women from  
the 1940s to the 1970s were coaxed to think pink when they thought of what it meant to be a woman Attaining feminine  
perfection meant conforming to a mythical standard one that would come wrapped in an adorable pink package if those  
cunning marketers were to be believed With wise humor and a savvy eye for curious absurd and at times wildly funny period  
artifacts Lynn Peril gathers here the memorabilia of the era from kitschy board games and lunch boxes to outdated advice  
books and health pamphlets and reminds us how media messages have long endeavored to shape women s behavior and self  
image with varying degrees of success Vividly illustrated with photographs of vintage paraphernalia this entertaining social  
history revisits the nostalgic past but only to offer a refreshing message to women who lived through those years as well as  
those who are coming of age now      **National Union Catalog**, 1980 Includes entries for maps and atlases      **Guide to**
