Weisburg,Ruth Toor,1985 **Ohio Educational Monthly and the National Teacher** ,1874 **The National Teacher** ,1874 Social Studies for Secondary Schools Alan J. Singer,2003-04-02 *Social Studies for Secondary Schools Teaching to Learn Learning to Teach Second Edition* integrates discussions of educational goals and the nature of history and social studies with practical ideas for organizing social studies curricula units lessons projects and activities A major theme woven throughout the text is that what we choose to teach and the way we teach reflect our broader understanding of society history and the purposes of social studies education Each chapter opens with a broad question about social studies education provides many examples of lessons including lesson ideas developed by new and experienced middle school and high school social studies teachers features a rich variety of teaching learning and classroom activities designed to provoke discussion and illustrate different approaches to teaching social studies and concludes with essays about related social studies topics Part I focuses on philosophical issues

social studies goals and standards and the design of social studies curricula Part II examines and offers examples of strategies for planning units and lessons Part III explores topics such as thematic and interdisciplinary teaching a project approach to social studies as well as assesses student learning and one's own performance as a teacher and provides a guide to social studies resource materials and organizations New in the Second Edition Every chapter has been updated and includes a number of new lesson ideas The lesson ideas are designed especially to help beginning teachers address learning standards work in inclusive settings and promote literacy and the use of technology in social studies classrooms Sample activities developed with members of the Hofstra New Teachers Network reflect the current focus on document based instruction and assessment and can serve as tools for assessing student learning Increased attention is given to project based social studies instruction and to multicultural education Intended as a text for undergraduate and graduate preservice social studies methods courses this text is also useful for in service training programs as a reference for new social studies teachers and as a resource for experienced social studies educators who are engaged in rethinking their teaching practice

National Teacher, 1871 **50 Yale Admission Success Stories** The Staff of the Yale Daily News, 2020-03-17 From the students at the Yale Daily News a book that highlights the essays that got students into Yale University helping high school seniors get into the school of their choice The competition to get into a top tier school becomes more and more fierce every year Parents and students are searching for the best advice and the final question they ask after joining clubs in high school and keeping the grades up is How do I write a winning essay 50 Yale Admission Success Stories and the Essays that Made Them Happen shows college applicants how to do exactly that showcasing the Common App essays that got students into Yale in addition to Yale specific application essays and other supplemental aspects of the Yale application like short statements and short answers But this book does more than just show students what kind of essays got college students through the door it profiles each student who contributed to the collection and puts those essays into context We meet Edgar Avina a political science major from Houston who worked odd jobs to support his family who immigrated from Mexico Madeleine Bender a New York City native is a jack of all trades who writes for the Daily News plays clarinet for a concert band and majors in both Classics and Ecology Evolutionary Biology These profiles set this book apart from other college essay books reminding students that in order to write a strong essay you must be yourself and understand how the university you're applying to will help you make your greatest dreams into a reality Occidentalism Xiaomei Chen, 1995-09-07 Xiaomei Chen offers an insightful account of the unremittingly favorable depiction of Western culture and its negative characterization of Chinese culture in post Mao China from 1978-1988 Chen examines the cultural and political interrelations between the East and West from a vantage point more complex than that accommodated by most current theories of Western imperialism and colonialism Going beyond Edward Said's construction in *Orientalism* of cross cultural appropriations as a defining facet of Western imperialism Chen argues that the appropriation of Western discourse what she calls Occidentalism

can have a politically and ideologically liberating effect on contemporary non Western culture Using China as a focus of her analysis Chen examines a variety of cultural media from Shakesperian drama to Western modernist poetry to contemporary Chinese television She thus places sinology in the general context of Western theoretical discourses such as Eurocentrism postcolonialism nationalism modernism feminism and literary hermeneutics showing that it has a vital role to play in the study of Orient and Occident and their now unavoidable symbiotic relationship Occidentalism presents a new model of comparative literary and cultural studies that reenvisions cross cultural appropriation
