Parallel Curriculum Units for Grades K-5 Marcia B. Imbeau, 2011-01-11 Since intelligence can be influenced by circumstance and environment The Parallel Curriculum Model Unit K 5 shows elementary educators how to provide clear unit planning utilizing the empirical based model Broken out into 4 sections this resource provides the following 1 a chapter on each content unit in K 5 literacy mathematics social studies and science using the Model 2 a content framework based on national and content standards 3 unit assessments and 4 unit sequence as well as teacher reflection lessons Approximately 5 7 lessons of each content area will be provided in every chapter in this handy resource The opening chapter defines what The Parallel Curriculum is and discusses how this researched based curriculum can be created and utilized for gifted learners learners with special needs as well as general education students Recognizing that curricula should be flexible to meet the needs of all learners The Parallel Curriculum Model Unit Book K 5 provides a educational rationale for developing a new curriculum model gives a brief overview of the theoretical underpinnings of the model and aims to help practitioners apply the specific units and lessons in the classroom

The Three Little Pigs Teach Growth Mindset Will Hussey, Barry Hymer, 2019-04-02 Who's Afraid of a Big Growth Mindset You know the story of the three little pigs But you've never explored it like this Here are 60 challenging pig related classroom exercises that will ask your students to try try again make mistakes have false starts persist sweat struggle and eventually succeed It may make their brains hurt but it is a hurting brain that is a growing brain While this book uses the story of the three little pigs it really isn't about the pigs and the wolf It's about helping your students develop a growth mindset by getting them to think between above below around and beyond the lines And once they've grown their brains by working through the challenges in this book they will be ready to accept new challenges and to keep growing more and more neural connections

Toolkit for Mentor Practice Patty J. Horn, Kristin Metler-Armijo, 2010-10-20 These mentoring tools allow me to have a reflective dialogue with teachers about their instruction that is unbiased nonthreatening and data driven I use the tools daily As my teachers evolve and advance in their practice so do the tools Amber Mieras District Mentor Union Elementary School District Tolleson AZ Horn and Metler Armijo have beautifully captured the reciprocal nature of the mentor and novice teacher relationship and the learning journey that occurs between them If you are designing a mentor program or if you need to revitalize the program you have this book will be your primary guide Elle Allison President Renewal Coaching All the processes strategies and tools a mentor needs to support and retain new teachers Studies show that mentoring programs have a positive impact on the development and retention of new teachers This field tested and evidence based resource is a complete kit that provides everything mentors need to support novice teachers on their journey to becoming confident effective professionals Toolkit for Mentor Practice combines a set of diagnostic tools that capture what is happening in a new teacher's classroom with a mentoring process that guides both mentor and mentee through transformational learning stages The toolkit features A three phase mentoring process that uses

data collection and collaborative conversations to improve classroom practices Information gathering tools that reveal how new teachers interact with students plan for instruction design lessons analyze student work and differentiate instruction Implementation guidelines that explain how to use each tool with beginning teachers Tools in Action examples that illustrate how veteran mentors have used the tools with new teachers This toolkit gives mentors all the forms and processes needed to guide new teachers as they develop and improve their instructional practice
