Spirals Timothy B. Spears, 2018-10 Ivy League football is a preoccupation in Timothy Spears s family history His grandfather

Clarence Doc Spears was an All American guard at Dartmouth in the early twentieth century played on the Canton Bulldogs with Jim Thorpe became a College Hall of Fame coach and as the legend goes discovered Bronko Nagurski while driving through the backcountry of Minnesota His father Robert Spears captained Yale s 1951 team and was drafted by the Chicago Bears in 1952 By the time Timothy went to Yale in the mid 1970s it was more than talent or enthusiasm that prompted him to play football there Spirals tracks the relationship between college football and higher education through the lens of one family s involvement in the sport Ranging over almost a century of football history Spears describes the different ways in which his grandfather father and he played the game and engaged with its educational dimensions as the sport was passed from father to son This intergenerational history attempts to uncover what the males in Spears s family learned from playing football and how the game s educational importance shifted over time within higher education While Spears chose an academic life after college he understood later with the decline of his parents how much football stayed with him and shaped his family s history With a voice that is part memoirist part scholar part athlete as well as father and son Spears discerns how football is embedded in our culture and came to be the fabric and common language of his family American Familia David Morales,2022-02-22 Dream Big Become More Told as a conversation between David and his two sons American Familia is David s story of growing up in rural poverty in Puerto Rico and urban poverty in the United States detailing hopeful and transformative life lessons along the way This is also his family s story one of faith grit and empowerment Part memoir and part rallying cry this book encourages discounted youth with a vision of hope that they too can transcend their environment and situation and achieve more be more and become more David s story provides guidance on how to overcome challenges in the face of great pressure and gives direction on how to develop purpose and embrace opportunities with courage and personal responsibility **Athletic Journal** ,1964 Vols 9 10 include proceedings of the 8th 11th annual meeting of the American Football Coaches Association and of the 3d 6th annual meeting of the National Association of the Basketball Coaches of the United States Heroes Among Us Major Chuck Larson,2008-01-02 More than one million Americans have served in Iraq and Afghanistan but fewer than 500 from this group have earned a Silver Star Navy Cross Air Force Cross Distinguished Service Cross or the Medal of Honor These Americans have demonstrated extraordinary courage under fire in the worst of circumstances They come from all branches of the military They also come from all over the country and all walks of life representing the entire spectrum of races and creeds But what unites them are their deeds of consummate bravery beyond the call of duty Heroes Among Us tells these extraordinary true stories of valor honor and sacrifice

Brando: Songs My Mother Taught Me Marlon Brando,2011-01-26 This is Marlon Brando s own story and his reason for telling it is best revealed in his own words I have always considered my life a private affair and the business of no one beyond my family and those I love Except for moral and political issues that aroused in me a desire to speak out I have done my utmost throughout my life for the sake of my children and myself to remain silent But now in my seventieth year I have

decided to tell the story of my life as best I can so that my children can separate the truth from the myths that others have created about me as myths are created about everyone swept up in the turbulent and distorting maelstrom of celebrity in our culture To date there have been over a dozen books written about Marlon Brando and almost all of them have been inaccurate based on hearsay sensationalist or prurient in tone Now at last fifty years after his first appearance onstage in New York City the actor has told his life story with the help of Robert Lindsey The result is an extraordinary book at once funny moving absorbing ribald angry self deprecating and completely frank account of the career both on screen and off of the greatest actor of our time Anyone who has ever enjoyed a Brando film will relish this book Please note this edition does not include photos
