Tears On A Sunday Afternoon English Edition:

This is the Night They Come For You Robert Goddard,2022-03-24 A pulse pounding breathless crime thriller perfect for fans of Anthony Horowitz s Hawthorne series Robert Galbraith s Cormoran Strike series and LJ Ross s Alexander Gregory thrillers Truly ingenious The Tablet Goddard sprinkles head turning double crossing with delightful by play between his two leads Times Fast paced beautifully crafted with some excellently drawn characters engages from start to finish Choice Magazine Goddard writes amazing novels of mystery suspense His new one is magical and the title is simply the best Stephen King _____ On a stifling afternoon at Police HQ in Algiers Superintendent Taleb coasting towards retirement with not even an air conditioned office to show for his long years of service is handed a ticking time bomb of a case which will take him deep into Algeria s troubled past and its fraught relationship with France To his dismay he is assigned to work with Agent Hidouchi an intimidating representative of the country s feared secret service who makes it clear she intends to call the shots They are instructed to pursue a former agent now on the run after twenty years in prison for his part in a high level corruption scandal But their search will lead them inexorably towards a greater mystery surrounding a murder that took place in Paris more than fifty years ago Uncovering the truth may be his responsibility but Taleb is well aware that no one in Algeria wants to be reminded of the dark deeds carried out in the struggle for independence or in the violence that has racked the nation since Before long he will face a choice he has long sought to avoid between self preservation and doing the right thing And ultimately the choice may not even be his to make The new novel from Robert Goddard THIS IS THE DAY THEY DREAM OF is available for pre order now _____

Media Control Robert E. Gutsche, Jr., 2017-04-20 *Media Control* News as an Institution of Power and Social Control challenges traditional and even some radical perceptions of how the news works While it s clear that journalists don t operate objectively reporters don t just cover news but they make it *Media Control* goes a step further by arguing that the cultural institution of news approaches and presents everyday information from particular and dominant cultural positions that benefit the power elite From analysing how the press operate as police agents by conducting surveillance and instituting social order through its coverage of crime and police action to bolstering private business and neoliberal principles by covering the news through notions of boosterism *Media Control* presents the news through a cultural lens Robert E Gutsche Jr introduces or advances readers applications of critical race theory and cultural studies scholarship to explore cultural meanings within news coverage of police action the criminal justice system and embedding into the news democratic values that are later used by the power elite to oppress and repress portions of the citizenry *Media Control* helps the reader explicate how the power elite use the press and the veil of the Fourth Estate to further white ideologies and American Imperialism
