Next, *Mastering Market Timing* combines the powerful, long proven technical analysis methods of Richard D. Wyckoff with the world renowned analysis of Lowry Research, sharing deep new price volume insights you can use to uncover emerging trends faster, even if you're entirely new to technical analysis. Finally, in *Trade the Trader*, Quint Tatro focuses on the real zero sum nature of trading, helping you understand the traders you're up against, anticipate their moves, outwit them, and beat them.
