Meyers,2016-10-06 Although artists are nowadays able to be openly gay and to address homosexuality explicitly in their work this book argues that it was the harsh climate of 1890 1930 that produced the most outstanding explorations of homosexuality To support his argument Meyers illuminates the character and creative process of a range of authors of the period including Wilde Gide Proust E M Forster and T E Lawrence and analyses the sexual problems that were sublimated and transcended in their art *Love, Sex, Gender, and Superheroes* Jeffrey A. Brown,2021-11-19 Impossibly muscular men

and voluptuous women parade around in revealing skintight outfits and their romantic and sexual entanglements are a key part of the ongoing drama Such is the state of superhero comics and movies a genre that has become one of our leading mythologies conveying influential messages about gender sexuality and relationships Love Sex Gender and Superheroes examines a full range of superhero media from comics to films to television to merchandising With a keen eye for the genre's complex and internally contradictory mythology comics scholar Jeffrey A Brown considers its mixed messages Superhero comics may reinforce sex roles with their litany of phallic musclemen and slinky femme fatales but they also blur gender binaries with their emphasis on transformation and body swaps Similarly while most heroes have heterosexual love interests the genre prioritizes homosocial bonding and it both celebrates and condemns gendered and sexualized violence With examples spanning from the Golden Ages of DC and Marvel comics up to recent works like the TV series *The Boys* this study provides a comprehensive look at how superhero media shapes our perceptions of love sex and gender

Text, and the Critic Edward W. Said, 1983 Said demonstrates that critical discourse has been strengthened by the writings

of Derrida and Foucault and by influences like Marxism structuralism linguistics and psychoanalysis But he argues these forces have compelled literature to meet the requirements of a theory or system ignoring complex affiliations binding the texts to the world

A Shift in the Portrayal and Reception of Homosexuality from the Victorian to the Modern Period Darby Dyer,2024-12-15 A Shift in the Portrayal and Reception of Homosexuality from the Victorian to the Modern Period explores how the reception of homosexuality in literature evolved and morphed greatly from the late 19th century to the 20th century and how the gender of the author played a particularly important role Victorian society scorned and punished gay men to a harsher degree due to the subversive taboo and emasculating nature of male homosexuality as evident in the reception of Oscar Wilde s The Picture of Dorian Gray In contrast the Modern period saw a positive portrayal and reception of homosexuality in Virginia Woolf s Mrs Dalloway Modern society as well as Victorian society accepted same sex female relationships under the assumption that women were incapable of engaging in sexual acts an assumption influenced by Queen Victoria Thus on the surface both societies tolerated female homosexuality in literature However this distorted tolerance was a limiting and silencing force Darby Dyer compares the homosexuality in the works and lives of Wilde and Woolf to other authors during their time periods to address how far queer representation has come in literature and other arts She concludes with a call to action that the fight is not over

Imitations of Life Louise McReynolds,Joan Neuberger,2002-03-29 Uses the under studied genre of melodrama as a critical prism for understanding Russian Soviet history politics and culture in particular the uses to which popular culture was put in the Soviet period

Encounters with Love Rodney Castleden,2020-07-01 This e book is an extract from Encounters that Changed the World and is also available as part of that complete publication Anne Boleyn s meteoric rise from complete obscurity to the dizzy heights of the English throne was followed by an equally swift journey to the Tower of London Accused of plotting to kill the King Anne was no murderer Her real crime was that she failed to produce a male heir for Henry VIII In the topsy turvy world of the Tudors Anne was certain to lose her head Read about Anne Boleyn s torrid romance with Henry VIII and her spectacular fall from grace along with many other momentous encounters with love that changed the world forever

Cultural Politics at the Fin de Siècle Sally Ledger,Scott McCracken,1995-02-02 Cultural Politics at the Fin de Siècle scrutinises ways in which current conflicts of race class and gender have their origins in the cultural politics of the last fin de siècle whose influence stretched from the 1890s when economic depression signalled the end of Britain s role as the workshop of the world to 1914 when world war accelerated imperial decline This collaborative venture by new and established scholars includes discussion of the New Woman the reconstruction of masculinities and of feminism and empire The imperialist theme is pursued in essays on Yeats and Ireland Gilbert and Sullivan and the figure of the vampire The rise of socialism and psychoanalysis and the relationship between nascent modernism and late twentieth century postmodernism are also addressed in this radical account

Dust that dances in a ray of light Lisa Luzzi,2019-11-18 Of all the works of Oscar Wilde his long letter written

during imprisonment entitled *De Profundis* is perhaps less known but without a doubt it is the richest and truest of all his bibliography *De Profundis* is like a photograph showing a perfect correspondence between art and life that in Wilde became tragedy a place in which words have the unbearable weight of the truth Each page is filled with pain and hope and the author digs in this interpretation absolutely unique and original in a mosaic of lives and events that will show the most human aspects of a writer who incisively marked an age Analysing this long letter is like attending a play in which at every act a different character offers us the sight on his life And Oscar on the entry threshold with his lilac carnation smokes a cigarette and tells us his truest story
