Volume 2 (of 2) (English Edition) Ernst Eckstein, Clara Bell, 2014-11-08 Example in this ebook CHAPTER I The same day which saw our friends in the country house at Ostia and the bond of love sealed between Aurelius and Claudia had been one of infinite agitation and annoyance to the Emperor Domitian The very first thing in the morning came vexatious tidings from the town and provinces At the earliest dawn inscriptions had been discovered on several of the fountains columns and triumphal arches of which the sting was more or less covertly directed against the Palatium and the person of Caesar Enough was attached to the base of a portrait bust The fruit is ripe was legible on the arch of Drusus In the fourth eighth and ninth regions the revolutionary question was to be seen in many places Where is Brutus and at the entrance of the baths of Titus in blood red letters stared the appeal Nero is raging Galba why dost thou tarry Domitian who had heard all this from his spies long before the court officials even suspected what had happened received these courtiers in the very worst of tempers His levée was not yet ended when a mounted messenger brought the news that a centurion had raised the standard of revolt on the Germanic frontier but that he had been defeated and slain after a short struggle At noonday the soldiers of the town guard seized an astrologer Asclepiodorus by name who had publicly announced that ruin threatened Caesar Before the moon should have twelve times rounded so ran his prophecy Caesar's blood would be shed by violence The immortals were wroth at his reprobate passion for a woman who by all the laws of gods and men he had no right to love At first Domitian laughed His connection with Julia seemed to him so dull and pointless a weapon for his foe to turn against him that the stupidity of it astonished him However he commanded that the astrologer should be brought before him Who paid you he enquired with a scowl when the prisoner was dragged into the room No one my lord You lie My lord as I hope for the mercy of the gods I do

not lie Then you really assert that you actually read in the stars the forecast you have uttered Yes my lord I have only declared what my skill has revealed to me The superstitious sovereign turned pale Well then wise prophet you can of course foretell your own end Yes my lord Before this day is ended I shall be torn to pieces by dogs Domitian looked scornfully round on the circle of men I fancy he said that I can upset the prophetic science of this worthy man Carry him off at once to execution and take care that his body is burnt before sundown The astrologer bowed his head in sullen resignation He was led away to the field on the Esquiline and immediately beheaded before an immense concourse within an hour Domitian was informed that all was over At this news his temper and spirit improved a little He congratulated himself on the prompt decision which had so signally proved the falsehood of the prophecy At dinner he carried on an eager conversation with Latinus the actor who among other farcical parts filled the role of news monger You are later than usual to day said Caesar graciously What detained you To be continue in this ebook

THE GOSPEL OF JOHN Original Version - Volume II translated by James David Audlin,2014-02 The only narrative about Jesus by eyewitnesses this is also one of the world s greatest literary works The unfinished text was spirited off to Sinope when the author was sent into exile Even there the hand of Rome nearly destroyed it Rescued 35 years later the author s spiritual heirs published it While in Sinope some pages got lost or disordered After publication various editors changed the manuscript repeatedly to suit the changing doctrines of early Christianity even adding spurious new material Thus the standard text is an inspiring mess but still a mess This translation restores not the unfinished original text but the masterpiece the author sought to compose a first hand account of a real man sent to urge humanity to accept God s will set down before doctrine repackaged him as an incarnate deity Volume One contains the carefully restored text and a history of the gospel Volume Two includes commentaries that burnish this masterpiece for the modern reader

The Medieval Greek Romance Roderick Beaton,1996 An essential introductory account of Greek fiction during the period 1071 1453 The argument is illustrated by lucid plot summaries and extensive quotations with literal English renderings Now revised and expanded with an essay on recent work
