Olson Sundberg Kundig Allen Architects,2001 Over the past thirty five years Olson Sundberg Kundig Allen Architects based
in Seattle has created a body of architecture that is recognized for its ability to merge notions of materiality craft and
lightness all of which are richly demonstrated in their work on art collectors residences and art museums The firm began its
creative existence with architect Jim Olson whose work in the late 1960s explored the complex relationship between
dwellings and the landscape they inhabit In the early 1970s the growing firm broadened its emphasis to include urbanism
and the landscape of the city Though firmly rooted in the regional features of the Pacific Northwest its unique climate and
dramatic landscape the firm s work extends beyond any regionalist classification Instead the projects are characterized by a
relaxed modernism that is attuned to its regional context Each of the projects featured in this volume exhibits a striking use
of both natural and highly refined materials masterful modulation of light a careful balance between monumentality and
intimacy and frequent collaborations with artists and craftsmen especially glass artists such as Ed Carpenter In addition to
generous illustrations including full color and black and white photography and detailed drawings and plans Olson Sundberg
