

Upon arrival, I contacted Crystal who stated she worked for Drug Free Sport International who conducts drug tests for professional athletes. Crystal stated she and a coworker, identified as Jerome [REDACTED] arrived at Jones' residence on 03/30/2024 at approximately 16:00 hours and an unknown male answered the door and directed them to the garage. Crystal stated there she contacted Jones to inform him they were there to conduct a drug test, showed him her credentials and he was cooperative at first. Crystal told me she laid her equipment on a table including her phone. Crystal informed me that Jones wanted to do the urine test in the garage so she went around the corner while Jerome stood with Jones. Crystal stated she waited a few minutes and then went back because she did not hear anything and they were gone. Crystal said that Jerome and Jones came through a door and that Jerome appeared nervous and said Jones could not pee. Crystal explained to me she offered to do a blood test instead and stated Jones appeared agitated by him being "tense and pulled up" and looked bugged. Crystal stated that Jones was asking them questions if they had money because he was going to sue them. Crystal stated that Jones picked up her phone and started recording them saying he was going to sue them which she had video of. It should be noted at that time Jones had no shirt on and his size compared to Crystal.

I looked at the video and it appeared Jones stated something to the effect "Here f--- Jerome and his girlfriend in my garage" and the video cut off. Crystal stated after that, Jones had made the statements about suing them and put her phone in his pocket. Crystal told me she asked for the phone back and he refused and got into her face stating "Why you f--- people come so early, do you know what happens to people who come to my house they end up dead". Crystal said she felt afraid, her heart was pounding, was terrified at that moment and Jones was less than a foot away. Crystal explained she wanted to terminate the test right then and there but was afraid Jones might hit her since the UFC fines athletes if the test is not taken. Crystal stated that she tried to signal Jerome discreetly for help or to see if he thought they should leave. Crystal said she wanted to call for help but Jones had her phone. Crystal told me she told Jerome to tell his girlfriend who was sitting in a car parked in the driveway to leave because Jones seemed upset the car was in his driveway and thought it might calm him down. Crystal clarified that Jerome could not call for help either since he had given his phone to his girlfriend earlier.

Crystal stated that Jones later agreed to take the urine test again and he placed her phone back on the counter so she grabbed it while he and Jerome went to the patio. Crystal stated that when she texted her boss, only known as Pierson [REDACTED] that Jones was threatening her and that she could not talk with him over the phone right now because Jones could come back at any moment and thought Jones would attack her if he saw her on the phone. Crystal told me that Jerome and Jones had come back and that Jerome looked pale and nervous. Crystal stated Jerome started to package and seal the urine so they could get out of there but he kept making mistakes which she believed was because he was nervous. Crystal later stated she believed Jones might have been drunk because she smelled an odor of an alcoholic beverage coming from him. Crystal said once they left she did an internal report for her boss but also informed him she was going to file a police report and he told her to hold off until UFC representatives spoke with her and that Jerome told her he did not want to file one because he was afraid of the repercussions. Crystal stated that later Pierson contacted her on Tuesday 04/04/2024 asking her why she wanted to file a report and seemed like he was trying to talk her out of it. Crystal said she tried to file a report a few days ago but was waiting for hours so she said she would call back.

Crystal stated she wanted to pursue charges against Jones. A summons will be issued to Jones. I attempted to contact Pierson and

Tammarniit (Mistakes) Frank Tester,Peter Kulchyski,2011-11-01 Recent media attention on the dire living conditions of the Innu in Davis Inlet Labrador has served as a stark reminder of the tragic outcome of Canadian government policy toward the Inuit in the eastern Arctic between 1939 and 1963 In Tammarniit Frank Tester and Peter Kulchyski focus on the roles of relief and relocation in response to welfare and other perceived problems and the federal government's overall goal of assimilating the Inuit into the dominant Canadian culture As a result the seeming benevolence of the post Second World War Canadian welfare state is seriously questioned The authors have made extensive use of archival documents many of which have not been available to researchers before among them the Alex Stevenson Collection which was stored in the Archives of the Northwest Territories and which proved to be invaluable in determining the course of events and the evolution of northern policies Tammarniit begins with an account of the debate over which branch of government should be responsible for the Inuit and whose budget should cover the costs for providing relief This debate was resolved in 1939 when the Supreme Court of Canada ruled that the federal government was responsible The following chapters cover the first wave of government expansion in the north which coincided with the evolution of the postwar liberal welfare state the policy debate that resulted in the decision to relocate Inuit from relatively southern communities on the east coast of Hudson Bay to the high Arctic and the actual movement of people and materials The second half of the book focuses on conditions following relocation A great deal of attention is paid to the Henik Lake and Garry Lake famines both of which occurred in the Keewatin district in the late 1950s and to the subsequent establishment of the community of Whale Cove The book concludes with an examination of the second wave of state expansion in the late fifties and the emergence of a new dynamic of intervention
