On the Author:

John Marsden, born 1950, Australian author. At age 28, after working several jobs, Marsden began a teaching course. Whilst working as a teacher, Marsden began writing for children, and in 1987 with a diary novel *So Much to Tell You*, about a girl who stops talking after being the victim of a disaster. After his debut, followed several similar stories, often written in letter or diary form, about troubled youth. Since then, he has written or edited over 40 books and has sold over 5 million books throughout the world.

Marsden portrays violence and evil without euphemisms. Best known, he has become the adventure series that begins with *Tomorrow, When the War Began* (1993), about a group of Australian teenagers who are forced to form a guerrilla group to survive since their country has been invaded by an alien power. The seven books in the suite raises questions as how to handle that life turns into a nightmare and how to maintain their humanity when forced to kill to survive. In a follow-up trilogy, which began with the *While I Live* (2003), portrayed Ellie, a young, future destinies.

In 2006, Marsden started an alternative school, Candlebark School in the Macedon Ranges, in which he is the school principal. Marsden has since reduced his writing to focus on teaching and running the school. He is also the patron of youth media organisation Express Media. Marsden has had his books translated into ten languages including Swedish, Norwegian, French, German, Dutch, Danish, Italian, Polish and Spanish. My Reasons for Reading this Book: I saw this movie about a year ago and I really liked it, so when I found this in the library I just had to read it.

I wanted to know if there is a lot difference between the book and the movie, and I can't wait to read the rest of these books. There are six others that continues this story. The reason I like this type of movie/book is because I like stories that have to do with the end of the world. Whether it is war, zombies taking over the world or a disease spreading. I think it has to do with my sick need of wanting to prepare for the end of the world, when ever that may come. My Summary: Imagine if you went camping with your friends for a few days and came back to find everyone was missing... that is what this book is about.

The main character is the 17-year-old Ellie Linton. She lives in a town called Wimmera, Australia. Ellie plans to take a break from work on her parents farm and set out on one last adventure before summer vacation is over, a camping trip to the legendary oasis that is rumored to be located in the middle of the stone desert that surrounds the village, and that the locals call "Hell". The six friends that goes with her on the trip are Robyn, Homer, Fiona, Corrie, Kevin and Lee. My Reading Log: Finishing Remarks I have now finished the book and I loved it! The story is so good!

I can not wait to find out what happens next. The language is a

Love and Duty Angela Esco Elder, 2022-03-10 Between 1861 and 1865 approximately 200 000 women were widowed by the deaths of Civil War soldiers They recorded their experiences in diaries letters scrapbooks and pension applications In *Love and Duty* Angela Esco Elder draws on these materials as well as songs literary works and material objects like mourning gowns to explore white Confederate widows stories examining the records of their courtships marriages loves and losses to understand their complicated relationship with the Confederate state Elder shows how in losing their husbands many women acquired significant cultural capital which positioned them as unlikely actors to gain political influence Confederate officialdom championed a particular image of white widowhood the young wife who selflessly transferred her monogamous love from her dead husband to the deathless cause for which he'd fought But a closer look reveals that these women spent their new cultural capital with great shrewdness and variety Not only were they aware of the social status gained in widowhood they also used that status on their own terms turning mourning into a highly politicized act amid the battle to establish the Confederacy's legitimacy Death forced all Confederate widows to reconstruct their lives but only some would choose to play a role in reconstructing the nation *The World's Oceans* Rainer F. Re-Entry Michelle Matthews, 2012-03-15 When author Michelle Matthews came home from war, she thought returning alive meant the worst was over. She was mistaken; surviving life after war proved to be equally challenging. Matthews returned a changed person. In *Re-Entry*, she narrates a poignant account of the war in Iraq, its tragic aftermath, and her courageous journey to heal emotionally. Based on journal entries and e-mails sent before, during, and after her service in Iraq, this memoir provides a firsthand account of the trials and tribulations she experienced by her service and gives insight into her emotional journey. Upon her return, Matthews struggled with anxiety and depression and began overeating and abusing alcohol. She tells how she wrestled with thoughts of suicide as she found normal life overwhelming following the abnormal rhythm of war. *Re-Entry* shows that how, through counseling, physical and recreational therapy, journaling, meditating, exercising, and support from family and friends, Matthews found herself again. *Selah* Pamela J. A trip to a neighboring farm to purchase a therapy dog acquaints Lila with two new friends and partners in the cause. Patty grows by leaps and bounds, barreling her way into everyone's hearts and homes with her tonics, lotions, critters, and sayings. Lila and her family transform in a way never imagined as they follow Gramp's lead into the heart of Jesus.
