The Wheels of Friend Eric Norland,2020-04-23 This book is one mans attempt to make peace with a world that was on the brink of mutually agreed upon destruction He chose a bicycle as his medium of expression and named it Friend His intent was to go from California and head east until going to The Soviet Union He wanted to meet Soviets and show others that they were alright He made it as far as East Germany but was not allowed travel any farther east From there the traveling cyclist heades for the Mediterranean and the Middle East And then onward around the world He ran out of money after one year of traveling He traveled across large continents like Australi and China and circumvented the Philippines Taiwan South Korea and Japan In all he comes away with a world experience and a new way of looking at the planet **The Shoe Repairer and Dealer** ,1921 Annual Report - U. Motor West and California Motor ,1923 The Sixties Unplugged Gerard J. DeGroot,2009-01-01 If you remember the Sixties quipped Robin Williams you weren t there That was of course an oblique reference to the mind bending drugs that clouded perception yet time has proven an equally effective hallucinogen This book revisits the Sixties we forgot or somehow failed to witness In a kaleidoscopic global tour of the decade Gerard DeGroot reminds us that the Ballad of the Green Beret

outsold Give Peace a Chance that the Students for a Democratic Society were outnumbered by Young Americans for Freedom that revolution was always a pipe dream and that the Sixties belong to Reagan and de Gaulle more than to Kennedy and Dubcek The Sixties Unplugged shows how opportunity was squandered and why nostalgia for the decade has obscured sordidness and futility DeGroot returns us to a time in which idealism tolerance and creativity gave way to cynicism chauvinism and materialism He presents the Sixties as a drama acted out on stages around the world a theater of the absurd in which China's Cultural Revolution proved to be the worst atrocity of the twentieth century the Six Day War a disaster for every nation in the Middle East and a million slaughtered Indonesians martyrs to greed The Sixties Unplugged restores to an era the prevalent disorder and inconvenient truths that longing wistfulness and distance have obscured In an impressionistic journey through a tumultuous decade DeGroot offers an object lesson in the distortions nostalgia can create as it strives to impose order on memory and value on mayhem

Do No Evil Les Alldredge, 2011-02 Good vs Evil all Christians know the ultimate outcome of this perpetual struggle but what about on a less cosmic level What about our personal conflicts urban violence domestic violence the daily challenge of making choices that are love motivated and honor God instead of being evil and self serving This book follows a young urban couple Samuel and Penny as they try to honor their love for each other and Christ while confronting the attacks of an evil world They are confronted by violence greed mayhem hatred prejudice and revenge during an unusual courtship But there's much that is
