Why did he need love if he had gold The Earl of Goldthwaite had spent his entire adult life accumulating wealth It was his life's goal to never end up as his father had penniless and rotting in some debtor's prison He has no time for such silly notions as love or romance When he eventually marries he'll find a nice heiress to increase his holdings But then Miss Penny Walters waltzes into his life he knows she's all wrong for him As poor as her name implies she's nothing that he wanted Just another woman attempting to part him from his gold So why can't he look away Who needed gold when her heart was rich with love Penny's
