

TRUE CRIME STORIES

The background of the cover is a collage of crime-related images. On the left, a silhouette of a detective in a hat and trench coat stands in a dark, misty environment. In the center, a large, bloody handprint is visible on a light-colored surface. On the right, a roll of yellow crime scene tape with the words 'CRIME SCENE' in black is partially unrolled.

True Crime Case Histories - Volume 10 Jason Neal, 2022-12-12 Disturbing True Crime Stories of Murder and Mayhem Volume 10 of the True Crime Case Histories Series 2022 Readers Love This Series Over 7 000 Five Star Ratings on Amazon Goodreads True crime is not for everyone But chances are if you've picked up this book you already know that Actual true crime is not like watching an episode of CSI Even television true crime documentaries can skim over the sticky details Real true crime can be unsettling for many people However I do my best not to leave out any details in my books My intention isn't to shock but rather to give the reader a glimpse into the killer's mind I don't begin to think that I can understand the mind of a diabolical monster but I can guarantee that curiosity will keep us turning pages and endlessly searching for answers Each story in my books requires hours of tedious research I search through court records old newspaper articles police records autopsy reports and first hand accounts Although I may occasionally change a character's name or fictionalize bits of dialogue these crimes really happened to real people Sadly this is the world in which we live A sampling of the stories includes A Sad Holiday Season In the north of England a sixteen year old girl disappeared after Christmas shopping with her friend A massive manhunt led police to a serial killer who lived just blocks away from her home Pretty in Pink A teenage girl showed up at the door of a farmhouse bruised bloody and unable to remember how she got there Investigators dug through the clues to uncover a bizarre love triangle and a gruesome murder A Perfect Holiday After her partner is sent to prison for molesting her eldest daughter a mother will do anything to keep her two youngest children from being taken by social services The Christmas Tree Farm Murders An elderly couple in southwest Washington disappeared hours before they were due to host a Christmas party at their home It took detectives twenty seven years to bring the killer to justice They Got in the Way A single mother of two young children would do absolutely anything to spend more time meeting sex partners online Even the unthinkable The Girl Scout When a seven year old girl disappears from her upstairs bedroom in the middle of the night a small community realizes they have a devious predator in their midst Plus many more disturbing stories We may never really understand what goes on inside the mind of a killer but at least by studying the case histories and knowing their backstory we might gain insight into what makes them tick With any luck we can learn from the past

True Crime Case Histories - Volume 2 Jason Neal, 2019-09-06 **True Crime Stories Volume 7** Jack

Rosewood,2017-07-11 Open the pages of this true crime anthology to learn about twelve more true crime stories that shocked communities and grabbed headlines around the world You will learn about tragic cases of family annihilation and relationships gone horribly wrong Among the most shocking of these cases is the murder of the Westerhuis family in South Dakota who on the outside appeared to be an all American family but inside they harbored a felonious secret A trio of politically motivated murder stories will also keep you intrigued and glued to the pages of this book Two of the cases involve hate crimes committed in the United States while the other was the first major act of Islamic terrorism in the U S The three cases were also examples of organized crime much like the murder of Australian biker Wayne Rodney Schneider You may be shocked when you learn that the criminal investigation of Schneider s murder has uncovered suspects from two different continents and that the actual crime took place on a third continent Unfortunately many of the cases profiled in this book involve innocent victims such as nine year old Amber Lucius who was murdered by her own mother Now that you have been warned open the pages of this book and learn about twelve more high profile true crime murder cases You may be distributed at times but if you enjoy learning about forensic science and criminal investigation procedures then this is the book for you *Unbelievable Crimes Volume Ten* Daniela Airlie, Investigate some of the most unbelievable yet relatively unknown true crime stories in *Unbelievable Crimes Volume Ten* In the tenth installment of the series I ll cover more macabre cases that are lesser known One such case follows the story of an American Australian serial killer who embarked on one of the most brazen murder sprees in recent history I also cover the tale of a murderous couple who plucked young women from the street for their own sinister desires Then there s the tragic story of a vulnerable young woman who was entangled with a dangerous young man This case ends how you may imagine though the brutality in which her life was ended is beyond comprehension Learn about these cases and more real life tales of terror in *Unbelievable Crimes Volume Ten* *True Crime Case Histories - Volume 8* Jason Neal,2022-02-11 12 True Crime Stories of Murder MayhemEighth Book of the True Crime Case Histories Series 2022 True crime books are not like other genres I like make certain the reader knows what they re getting into Real true crime is not CSI It s exponentially more horrible True crime fans who have been reading these books for years already know this Even television documentaries will skip over the truly gruesome parts of crime stories In my books I don t skip over the details no matter how disturbing they may be My intent is to give the reader a better glimpse into the mind of the killer There are twelve stories in this volume of *True Crime Case Histories* One particular story in this volume was sent to me by several readers in the Michigan area The news of a young woman s savage death in 2018 was front page news in Michigan but the rest of the world may not have heard the story yet A sampling of the stories include In this volume you ll read some stories that take place as recently as a few years ago while others date back as far as the 1930s There s the story of a young Russian immigrant who came to the United States seeking the exciting lifestyle he d seen on television only to be stabbed set on fire and left to die in the desert by his own friends There s also the story of a brawny railway worker who

couldn't control his steroid fueled rage After killing two people and being sentenced to life in prison he continued his rage behind bars There's the story of a young woman who was abducted while sunbathing along the Ohio River A witness across the river saw the abduction in progress and identified the abductor but after more than twenty five years the girl's mother still searches for answers Some stories made major news headlines like that of the awkward farm boy from British Columbia who preyed upon desperate prostitutes killing as many as forty nine women while leaving almost no trace of their remains

Murder at 40 Below Tom Brennan, 2001 Drawn from police files eyewitness accounts and news reports these stories introduce extreme criminals in an extreme land **True Crime Case Histories - Volume 1** Jason Neal, 2019-08-29 Eight True Crime Stories of Murder Mayhem First Book of the True Crime Case Histories Series 2019 A quick word of warning The true crime short stories within this book are unimaginably gruesome Most news stories television crime shows and true crime documentaries tend to leave out the most horrible details about murder cases simply because they are too extreme for the general public I have done my best to include full details of these stories no matter how sickening they may be In these true crime stories you'll find that truth really is more strange and vastly more disturbing than fiction In my first book as a true crime author I've started with a few of the stories that have haunted me for some time Some of these stories are unbelievable in their brutality while others are astounding in the stupidity of the killers You'll find a story of a religious evangelical christian who would rather strangle his wife and two young boys than lose his prominent job with the church Then there's the story of a man that fills his wife's orifices with grease so she will be flammable from the inside There's the story of the small town doctor that goes through the unbelievable lengths of performing surgery on himself to avoid going to jail for raping his patients Plus there're more stories of Serial Killers terrorizing cities and crime scenes that bring investigators and seasoned police to tears This collection of stories are from all around the globe and have no common thread between them other than that they are both thought provoking and disturbing The stories included in this anthology are dark and creepy and will leave you with a new understanding of just how fragile the human mind can be The stories include Fred Grabbe James Patterson Smith Dr John Schneeberger Chris Coleman Michelle Bica Mary Bell Graham Dwyer Lawrence Bittaker and Roy Norris The Toolbox Killers Scroll up to get your copy *True Crime Case Histories - Volume 2* Jason Neal, 2019-09-11 **True Crime Case Histories - Volume 7** Jason Neal, 2021-08-30 **True Crime Case Histories - Volume 9** Jason Neal, 2022-07 Volume 9 of the True Crime Case Histories Series 2022 Readers Love This Series Over 7 000 Five Star Ratings on Amazon Goodreads [True Crime Case Histories - Volume 7](#) Jason Neal, 2021-08-30 12 True Crime Stories of Murder True Crime Murder Mayhem Serial Killer Biographies and True Murder Case Files **True Crime Stories Volume 2** Ryan Becker, 2017-10-02 Have you ever wondered what is in the mind of a killer Are you fascinated by what makes someone snap and kill or carry out a carefully planned murder In this second book in the series List of Twelve Volume 2 author Ryan Becker examines 12 individuals who did just that and became notorious as a result From Blaine Norris
