The Interpretation of The Meaning of The Holy Quran Volume 7 - Surah Al-Baqarah verse 262 to 286

Nasoha Bin Saabin, I have written many books and articles on various topics but since 2013 I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah I have completed the whole Quran on 29th October 2020 with 84 books. I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English. Currently there is a great misunderstanding about Islam among Muslims and non-Muslims globally. The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims. The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non-Muslims. The wrong actions of the Muslims have led to many miseries and wars among Muslims. The wrong actions of Muslims have also led to many wars and clashes between Muslims and non-Muslims. In order to avoid miseries, wars, and clashes from taking place between the whole mankind in the whole world, the whole mankind in the whole world need to understand the true teaching of Islam. There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran. The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world, English. For this very reason, I have written the interpretation of the Holy Quran in English. Prof. Nasoha Bin Saabin Book of Mormon Student Manual (Religion 121-122)

The Church of Jesus Christ of Latter-day Saints, 1981. The Book of Mormon testifies of Jesus Christ and teaches us how to become His disciples. The Prophet Joseph Smith, 1805-44, affirmed that a man would get nearer to God by abiding by its precepts than by any other book. History of the Church, 4:461. Book of Mormon introduction. As you study the Book of Mormon and are prayerful, the Holy Ghost continually bears witness to your heart and mind of the Savior's divine role as the Redeemer of mankind. The Book of Mormon exerts a powerful influence on the hearts of those who receive it and ponder its message. Elder Parley P. Pratt, 1807-57, an early convert of the Restoration and an eventual member of the Quorum of the Twelve Apostles, related the following regarding the first time he read the Book of Mormon: I opened it with eagerness and

read its title page I then read the testimony of several witnesses in relation to the manner of its being found and translated After this I commenced its contents by course I read all day eating was a burden I had no desire for food sleep was a burden when the night came for I preferred reading to sleep As I read the spirit of the Lord was upon me and I knew and comprehended that the book was true Autobiography of Parley P Pratt ed Parley P Pratt Jr 1938 37 Modern prophets have continually emphasized the need for every Latter day Saint to read and reread the Book of Mormon President Gordon B Hinckley 1910 2008 declared I promise you that if each of you will read the Book of Mormon regardless of how many times you previously may have read the Book of Mormon there will come into your lives and into your homes an added measure of the Spirit of the Lord a strengthened resolution to walk in obedience to His commandments and a stronger testimony of the living reality of the Son of God A Testimony Vibrant and True Ensign Aug 2005 6 President Boyd K Packer President of the Quorum of the Twelve Apostles shared how he learned that studying the Book of Mormon leads to personal revelation I found the Book of Mormon to be plain and precious I learned that anyone anywhere could read in the Book of Mormon and receive inspiration Some insights came after reading a second even a third time and seemed to be likened to what I faced in everyday life in Conference Report Apr 2005 6 or Ensign May 2005 7 Inspiration as President Packer testified will come as you consistently read from the Book of Mormon

The System of Doctrines, contained in Divine Relation, Explained and Defended Volume II Samuel Hopkins, 2017-06-30 In this second and final volume of the Samuel Hopkins theology series he covers some controversial topics such as what happens to us at death and what will happen when the Lord Jesus returns in the Eschaton Hopkins gives clear evidence and arguments for his position and will reveal to you what God's word says about such topics
