Russell, Stewart Waters, 2010-10-01 Values attitudes and beliefs have been depicted in movies since the beginning of the film industry Educators will find this book to be a valuable resource for helping explore character education with film This book includes an overview of the history of character education a discussion of how to effectively teach with film and a discussion about analyzing film for educational value This book offers educators an effective and relevant method for exploring character education with today s digital and media savvy students This book details how film can be utilized to explore character education and discusses relevant legal issues surrounding the use of film in the classroom Included in this book is a filmography of two hundred films pertaining to character education The filmography is divided into four chapters Each chapter details fifty films for a specific educational level elementary middle high school and postsecondary Complete bibliographic information summary and applicable character lesson topics are detailed for each film This book is clearly organized and expertly written for educators and scholars at the elementary middle high school and postsecondary levels *Teaching Virtues* Donald Trent Jacobs, Jessica

Jacobs-Spencer,2001 This book about teaching virtues is based on a fundamental American Indian view that sees the universe as intimate relationships of living things that are vitally affected by attributes called universal virtues These virtues cross all boundaries and cannot be taught in isolation They are woven into all subjects that are worth learning Part 1 provides psychological perspectives that underpin the book s approach Part 2 shows how various pedagogical strategies can turn subject matter into significant relationships Since teaching virtues is ultimately about relationships a natural way to embed awareness of virtues unfolds when there is a consistent commitment to teaching virtues daily Chapters introduce the lesson plan format and the conceptual model explore the meanings of vital terminology and discuss assessment strategies Part 3 realizes the actual interconnections between virtues and content knowledge with chapters that address social studies language arts science physical education mathematics and the arts These chapters show how the process works to truly integrate content and character education Part 4 offers an opportunity for profound reflection on the issues and challenges surrounding effective character education Contains 75 references TD *Children's SEL E-book: We Trust and Understand you - Just be Honest* Edufrienz 99,2024-08-01 Empower Young Minds with Valuable Life Lessons Are you looking for a fun and engaging way to teach children the importance of honesty and trust Our We Trust and Understand You digital printable is the perfect solution Combining a captivating story with interactive activities this resource fosters emotional intelligence and builds a strong foundation for healthy relationships Make Learning Fun and Engaging Download our We Trust and Understand You printable today It s a valuable addition to any home or classroom offering a fun and interactive way to nurture honesty and trust in young minds No of Page 22 **Coloring Book** Red Rose Elk,2013 The Empowerment Saga is a series of stories to engage youth 14 18 years of age in developing basic financial skills so they will learn how to build and preserve their own financial wealth These stories offered in colorful comic style graphics are reservation cased in order to bring home to Native youth the message of handling their finances from an early age From publisher s description

Reuben's Fall Sheri L Leafgren,2016-06-16 This study offers a lens on two kindergarten classrooms examining moments of disobedience as children interacted with children their teachers and the space and time elements of the classroom environments Through Eisner s educational criticism author Sherry Leafgren also examines the elements of school kindergarten and teachers within the spaces of their intersections with the children While past research has directed our attention to addressing the problem of classroom disobedience Leafgren provides an opportunity and means to view these familiar actions through fresh lenses of possibilities Predicated by an event in the researcher s teaching life she utilizes Deleuze and Guattari s rhizoanalysis to openly seek lateral paths of understanding by linking and folding the findings with texts other than those that would be normally used toward developing new understandings and questions regarding children s disobediences An earlier version of this book was awarded the distinguished dissertation award from the International Institute for Qualitative Methodology **Character Education Grs. 5-6** Sara Freeman,1997 Filled with teaching ideas

practical activities and real life problems to solve that stimulate students to think critically and act morally *We Trust & Understand You, Just Be Honest* Edufrienz 99,2024-03-01 Introducing our Children s Values and Behaviours Printable Download E book Learning about Honesty authored by Edufrienz This series of e books is specifically curated for our 5 to 10 years old children providing them with essential knowledge and practical examples Join SPARK Frienz a lovable animal character on an exciting journey that explores the importance of honesty Practical knowledge Through engaging stories children learn what honesty means and why it matters in everyday life Interactive activities Go beyond storytelling The e book includes fun games thought provoking questions and exciting challenges to reinforce the lessons learned Benefits for Your Child Develop strong moral values This e book is not just about honesty it helps children understand the importance of being responsible and ethical Make learning fun Interactive activities keep children engaged and make learning about honesty enjoyable Build a strong foundation By understanding honesty early on your child is better equipped to make positive choices throughout their life **HCI for Cybersecurity, Privacy and Trust** Abbas Moallem,2019-07-10 This book constitutes the thoroughly refereed proceedings of the First International Conference on HCI for Cybersecurity Privacy and Trust HCI CPT 2019 which was held as part of the 21st HCI International Conference HCII 2019 in Orlando FL USA in July 2019 The total of 1275 papers and 209 posters included in the 35 HCII 2019 proceedings volumes were carefully reviewed and selected from 5029 submissions HCI CPT 2019 includes a total of 32 papers they were organized in topical sections named Authentication cybersecurity awareness and behavior security and usability and privacy and trust Branding Trust Jennifer M. Black,2023-12-05 In the early nineteenth century the American commercial marketplace was a chaotic unregulated environment in which knock offs and outright frauds thrived Appearances could be deceiving and entrepreneurs often relied on their personal reputations to close deals and make sales Rapid industrialization and expanding trade routes opened new markets with enormous potential but how could distant merchants convince potential customers whom they had never met that they could be trusted Through wide ranging visual and textual evidence including a robust selection of early advertisements Branding Trust tells the story of how advertising evolved to meet these challenges tracing the themes of character and class as they intertwined with and influenced graphic design trademark law and ideas about ethical business practice in the United States As early as the 1830s printers advertising agents and manufacturers collaborated to devise new ways to advertise goods They used eye catching designs and fonts to grab viewers attention and wove together meaningful images and prose to gain the public s trust At the same time manufacturers took legal steps to safeguard their intellectual property formulating new ways to protect their brands by taking legal action against counterfeits and frauds By the end of the nineteenth century these advertising and legal strategies came together to form the primary components of modern branding demonstrating character protecting goodwill entertaining viewers to build rapport and deploying the latest graphic innovations in print Trademarks became the symbols that embodied these ideas in print in the law and to the public Branding

Trust thus identifies and explains the visual rhetoric of trust and legitimacy that has come to reign over American capitalism Though the 1920s has often been held up as the birth of modern advertising Jennifer M Black argues that advertising professionals had in fact learned how to navigate public relations over the previous century by adapting the language imagery and ideas of the American middle class

Teaching Compassion: Humane Education in Early Childhood

Mary Renck Jalongo,2013-07-23 In response to highly publicized incidents of school violence educators across the United States and in many other nations are seeking effective ways to prevent and modify aggressive and anti social behaviors in students One of the major recommendations of the research is that efforts to prevent cruelty need to begin early during the early childhood years of birth through age eight The focus of Teaching Compassion Humane Education in Early Childhood is guiding young children to accept responsibility for and to be kind in their interactions with fellow human beings animals and the environment Although humane education is a relatively new concept in the field of early childhood education professionals in the field are very familiar with many of the related concepts including promoting positive interpersonal interactions teaching children the skills of self regulation giving children experience in caring for living things and protecting the environment This edited volume is an interdisciplinary compendium of professional wisdom gathered from experts in the fields of education child development science psychology sociology and humane organizations As the book amply documents the concept of humane education is powerful integrative timely and appropriate in work with young children Teaching Compassion Humane Education in Early Childhood shows how it is possible for adults dedicated to the care and education of young children to balance attention to the cognitive and affective realms and in so doing to elevate the overall quality of early childhood programs for children families and communities

Hear and be Wise Alyce M. McKenzie,2004

Pastors are called to an exciting ministry of proclamation and leadership That excitement however often turns to demoralization and burnout as pastors become increasingly uncertain of what their role is supposed to be Competing claims by the congregation the denomination and society about who and what the pastor is supposed to be breed confusion and disappointment A way out of this confusion lies in reclaiming the biblical understanding of who the pastor is One of the biblical roles within the pastoral vocation that often goes neglected is that of wise teacher or sage Scripture presents as a model of pastoral leadership those who interpret the word and will of God for daily living Especially in their preaching pastors are called to help the congregation understand their place in God s world In this book Alyce McKenzie lays out the four qualities of the wise teacher the bended knee the listening heart the cool head and the courageous voice and encourages pastors to make each of these integral to their ministry and vocation She goes on to demonstrate that the sermon is the prime opportunity to function in the role of wise teacher She offers strategies for applying biblical wisdom to all areas of everyday life
