Choose one of the questions to answer during our next class. You will have an opportunity now to plan out your ideas a bit so that you write an essay, not a standard journal entry or short answer response.

- 1) In the novel, each of the members of the Tuck family views immortality differently. For Miles and Jesse, it is a blessing that allows them to see the world and make a much larger impact than they could if they were mortal. For Jesse and Miles it is worth the sacrifice of being alone. However, their parents, Mae and Angus feel that immortality took from them everything that made living worthwhile. For this essay, analyze why the family members feel differently about immortality. Is their age a factor or their separate experiences? Who is right and who is wrong?
- 2) You have recently written a story about a time you felt unsafe and were given the option of changing the ending. Think about how TUCK EVERLASTING ends. How did it make you feel? Was the ending a fit to the story? Why or why not? If you could change Natalie Babbitt's ending, what would you change? Why? What feelings would the reader be left with after reading your ending?
