American Masculinities in Contemporary Documentary Film Sara Martín,2023-05-24 Most documentaries deal with men but what do they actually say about masculinity In this groundbreaking volume Sara Mart n analyses more than forty 21st century documentaries to explore how they represent American men and masculinity From Jennifer Siebel Newsom s *The Mask You Live In* to Raoul Peck s *I Am Not Your Negro* this volume explores sixteen different faces of American masculinity the good man the activist the politician the whistleblower the criminal the sexual abuser the wrongly accused the dependent man the soldier the capitalist the adventurer the sportsman the architect the photographer the musician and the writer The collective portrait drawn by the documentaries discloses a firm critical stance against the contradictions inherent in patriarchy which makes American men promises of empowerment it cannot fulfill The filmmakers view of American masculinity emphasizes the vulnerability of disempowered men before the abuses of the patriarchal system run by hegemonic men and a loss of bearings about how to be a man after the impact of feminism accompanied nonetheless by a celebration of resilient masculinity and of the good American man Firmly positioning documentaries as an immensely flexible relevant tool to understand 21st century American men and masculinity their past present and future this book will interest students and scholars of film studies documentary film American cultural studies gender and masculinity **Tupac Shakur, (2-Pac) in the Studio** Jake Brown,2005 Focuses exclusively on the studio craft of the late rap legend Featuring exclusive interviews with many of his producers including a lengthy multi chapter interview with Shakur s closest musical collaborator Johnny J among others offering fans never before revealed insight into 2 Pac s recording method the inter workings of his songwriting process *Notes from the Field* Anna Deavere Smith,2019-05-21 Smith s powerful style of living journalism uses the collective cathartic nature of the theater to move us from despair toward hope The Village Voice Anna Deavere Smith s extraordinary form of documentary theater shines a light on injustices by portraying the real life people who have experienced them One of her most ambitious and powerful works on how matters of race continue to divide and enslave the nation Variety Smith renders a host of figures who have lived and fought the system that pushes students of color out of the classroom and into prisons As Smith has put it Rich kids get mischief poor kids get pathologized and incarcerated Using people s own words culled from interviews and speeches Smith depicts Rev Jamal Harrison Bryant who eulogized Freddie Gray Niya Kenny a high school student who confronted a violent police deputy activist Bree Newsome who took the

Confederate flag down from the South Carolina State House grounds and many others Their voices bear powerful witness to a great iniquity of our time and call us to action with their accounts of resistance and hope *Chocolate Cities* Marcus Anthony Hunter, Zandria Robinson, 2018-01-16 When you think of a map of the United States what do you see Now think of the Seattle that begot Jimi Hendrix The Dallas that shaped Erykah Badu The Holly Springs Mississippi that compelled Ida B Wells to activism against lynching The Birmingham where Martin Luther King Jr penned his most famous missive Now how do you see the United States *Chocolate Cities* offers a new cartography of the United States a Black Map that more accurately reflects the lived experiences and the future of Black life in America Drawing on cultural sources such as film music fiction and plays and on traditional resources like Census data oral histories ethnographies and health and wealth data the book offers a new perspective for analyzing mapping and understanding the ebbs and flows of the Black American experience all in the cities towns neighborhoods and communities that Black Americans have created and defended Black maps are consequentially different from our current geographical understanding of race and place in America And as the United States moves toward a majority minority society *Chocolate Cities* provides a broad and necessary assessment of how racial and ethnic minorities make and change America's social economic and political landscape *Rhymin' and Stealin'* Justin A Williams, 2013-07-25 *Rhymin and Stealin* begins with a crucial premise the fundamental element of hip hop culture and aesthetics is the overt use of preexisting material to new ends Whether it is taking an old dance move for a breakdancing battle using spray paint to create street art quoting from a famous speech or sampling a rapper or 1970s funk song hip hop aesthetics involve borrowing from the past By appropriating and reappropriating these elements they become transformed into something new something different something hip hop *Rhymin and Stealin* is the first book length study of musical borrowing in hip hop music which not only includes digital sampling but also demonstrates a wider web of references and quotations within the hip hop world Examples from Nas Jay Z A Tribe Called Quest Eminem and many others show that the transformation of preexisting material is the fundamental element of hip hop aesthetics Although all music genres use and adapt preexisting material in different ways hip hop music celebrates and flaunts its open source culture through highly varied means It is this interest in the web of references borrowed material and digitally sampled sounds that forms the basis of this book sampling and other types of borrowing becomes a framework with which to analyze hip hop music and wider cultural trends *Disciples of the Street* Eric Gutierrez, 2008-03-01 What would cause a small 140 year old Episcopal Church in the heart of the South Bronx to begin offering hip hop services How would the church both locally and nationally react Utilizing scores of interviews and months of research *Disciples of the Street* is the story of one church's engagement with hip hop religion the conflicts that ensued and the resulting birth of something much larger Following that small hip hop religious movement from its inception in the summer of 2004 through its building of a national profile in a story that moves from the birthplace of rap to youth detention facilities in Virginia to the New South and all manner of places in between

Gutierrez looks deeply into the questions of what hip hop has to say to the traditional church and what the church might say to hip hop culture *Disciples of the Street* is a compelling story well told and the definitive look at the issues facing a movement that's growing in popularity and gaining traction around the country Tupac Shakur Nathan Olson, 2005 A biography highlighting the life career and the impact of rapper and actor Tupac Shakur The Soul of Learning Mary Keator, Vajra Watson, 2021-12-29 *The Soul of Learning* is a groundbreaking book that bridges together cultural work contemplative practices and ancient scriptures Inside each chapter readers are challenged and inspired to come face to face with themselves as they encounter teachers in all forms from spiritual sages to critical theorists from prophets to poets from hip hop rappers to reggae artists This book is multifaceted and multidisciplinary It models the essence of education by offering multiple entry points into holistic learning somatic aesthetic emotional intellectual ethical relational and spiritual *The Soul of Learning* embodies a pedagogical disruption in pursuit of personal sovereignty What process must we go through to reimagine ourselves in relation to each other and the world around us This book offers a semblance of an answer As a way to bring the sacred into schooling Keator and Watson courageously connect spirituality activism and education through curated readings guided activities and intentional exercises It's a ready to go syllabus and hands on workbook all in one Altogether this book is revelatory and provides innovative ways to teach and learn lead and live *The Soul of Learning* documents a transformative journey through the interiority of our being into a revolutionary call for collective belonging
