Religion and AIDS Treatment in Africa Hansjörg Dilger, Thera Rasing, 2016-04-08 This book critically interrogates emerging interconnections between religion and biomedicine in Africa in the era of antiretroviral treatment for AIDS Highlighting the complex relationships between religious ideologies practices and organizations on the one hand and biomedical treatment programmes and the scientific languages and public health institutions that sustain them on the other this anthology charts largely uncovered terrain in the social science study of the Aids epidemic Spanning different regions of Africa the authors offer unique access to issues at the interface of religion and medical humanitarianism and the manifold therapeutic traditions religious practices and moralities as they co evolve in situations of AIDS treatment This book also sheds new light on how religious spaces are formed in response to the dilemmas people face with the introduction of life prolonging treatment programmes

Turfloop a Conscious Pariah Chris Kanyane Kanyane, 2010-01-06 This book provides reflections on the butterfly effect on how Turfloop brought in the Age of Barack Obama What is the Age of Barack Obama To paraphrase Dr Ineke Van Kessel a prominent historian at the Leiden University in the Netherlands The University of the North also known as Turfloop played a vital role as the center of communication coordination ideological direction the engine of bringing the new South Africa was University of the North We approached this book like detectives Fortunately in our detective work we were not concerned with a particular agenda we were not trying to prove that a certain method of thinking was right or wrong We didnt want this book to be filled with personal opinions and biases We wanted this book to be juice and accessible to every person who reads it in whatever corner of the world We have to back up our story with facts of course and get other people to do practical analysis and later we added our own perspectives When we completed writing this book we passed it around amongst critical people spread across the globe Most of them said that the book is somehow highbrow and at the same time all together lowbrow which came as a compliment A lot of people are somewhere in between We want this book to embody that because there are many people there we want them to appreciate this book

Witchcraft and a Life in the New South Africa Isak Arnold Niehaus, 2013 This biography casts new light on scholarly understandings of the connections between politics witchcraft and AIDS in South Africa

Biko Xolela Mangcu, 2013-09-20 Steve Biko was an exceptional and inspirational leader a pivotal figure in South African history As a leading anti apartheid activist and thinker Biko created the Black Consciousness Movement the grassroots organisation which would mobilise a large proportion of the black urban population His death in police custody at the age of just 30 robbed South Africa of one of its most gifted leaders Although the rudimentary facts of his life and death are well known there has until now been no in depth book on this major political figure and the impact of his life and tragic death Xolela Mangcu who knew Biko provides the first in depth look at the life of one of the most iconic figures of the anti apartheid movement whose legacy is still felt strongly today both in South Africa and worldwide in the global struggle for

civil rights **Witness to Power** Mathews Phosa,2024-11-03 Mathews Phosa has been an eyewitness to the dramatic shifts of political power in South Africa He was involved in the Black Consciousness Movement the UDF and the ANC before fleeing into exile in 1985 and becoming an uMkhonto weSizwe commander in Mozambique A lawyer by training he was one of the first ANC members to return to South Africa to prepare the way for negotiations He was premier of Mpumalanga during the presidency of Nelson Mandela with whom he had a strong relationship Under Thabo Mbeki whom he had known in exile Phosa was pushed to the sidelines with false accusations that he was involved in a plot to overthrow the president Phosa had served under Jacob Zuma as an MK field commander in Mozambique and he became treasurer general of the ANC when Zuma became its president at Polokwane But Phosa later became a vocal critic of Zuma and they didn't speak for years until the night before Zuma's resignation Phosa and Cyril Ramaphosa had studied law together at the University of the North in the 1970s and fifty years later Phosa played a key role in advising him over the Phala Phala report that threatened to end his presidency *Witness to Power* is a gripping story of underground activities military operations negotiations political conflict and intrigue It provides fascinating new insights into the ruling party and its leaders by an ANC elder who worked with them all

Colours of Wildlife Willem van der Merwe,2019-01-07 The world is full of amazing creatures that swim climb run and fly Perusing this lavishly illustrated book one gets the feeling that the artist knows them all personally There are huge animals like the elephant and savannah buffalo There are tiny ones like the owlet tree frog and four toed elephant shrew And of course there are the mischievous meerkats Some are magnificent others endearing The art is awe inspiring Where photography focuses on the moment painting forces us to look deeper into the nature of these creatures to experience visually the textures of fur and feathers the smoothness of skin Willem's paintings establish connection *Colours of Wildlife* isn't all about the paintings The artist supplies background knowledge about each species and their relations with humans We learn which species are safe for now and which are endangered Willem lives near many of these animals and he has real stories to tell about them *A Vice-chancellor Remembers* G. R. Bozzoli,1995 **Urban 2** Dave Chislett,2002 *Urban 2*

picks up where the previous collection left off collating and capturing new writing about the current urban experience of young South Africans across the board Featuring a new writing from a large cross section of South Africans this collection once again seeks to tap into the mind set and attitudes of what is really happening out there in the streets of this country It reaches the soft underbelly of the city mind and reveals that not all is angst doom and gloom in the South Africa of today

Students Must Rise Ann Heffernan,Noor Nieftagodien,Sifiso Mxolisi Ndlovu,Bhekizizwe Peterson,2016-06-01 A detailed account of the incredibly influential Soweto Student Uprising of 1976 The Soweto Student Uprising of 1976 was a decisive moment in the struggle against apartheid It marked the expansion of political activism to a new generation of young activists but beyond that it inscribed the role that young people of subsequent generations could play in their country's future Since that momentous time students have held a special place in the collective imaginary of South African history Drawing on

research and writing by leading scholars and prominent activists Students Must Rise takes Soweto 76 as its pivot point but looks at student and youth activism in South Africa more broadly by considering what happened before and beyond the Soweto moment Early chapters assess the impact of the anti pass campaigns of the 1950s of political ideologies like black consciousness as well as of religion and culture in fostering political consciousness and organisation among youth and students in townships and rural areas Later chapters explore the wide reaching impact of June 16th itself for student organisation over the next two decades across the country Two final chapters consider contemporary student based political movements including RhodesMustFall and FeesMustFall and historically root these in the long and rich tradition of student activism in South Africa 2016 marks the 40th anniversary of the 1976 June 16th uprisings This book rethinks the conventional narrative of youth and student activism in South Africa by placing that most famous of moments the 1976 students uprising in Soweto in a deeper historical and geographic context
