Tcu Guidebook 2014 2015:

Dealing with Elusive Futures Noemi Steuer, Michelle Engeler, Elísio Macamo, 2017-11-15 The time to come as well as the exploration thereof remains elusive for social actors and social scientists alike The contributors accept the challenge to depict young men and women s future creating activities in urban contexts of sub Saharan Africa Very consciously they study young graduates having obtained a university degree and provide a vivid picture of their strategies to socially grow older by doing adulthood in contexts of great uncertainty The examples include Burkina Faso Guinea Ethiopia Mali and Tanzania visually enriched through pictures taken by young Malian photographers *Fictional Linguistic Landscapes* Osman

Solmaz, 2025-09-11 This book explores how fan practices such as fan art and fan fiction and linguistic landscapes the language surrounding us in everyday contexts can be integrated into foreign language teaching through the innovative Fictional Linguistic Landscapes pedagogy It offers practical models for educators to use multimodal fan activities to enhance second language learning including designing semiotic landscapes soundscapes skinscapes and social mediascapes Drawing on popular fictional universes like Dune it illustrates how educators can utilize fan practices to foster deeper language learning critical thinking and intercultural awareness The result is an innovative pedagogical approach that blends entertainment social media and popular culture with language learning in a way that promises to engage and inspire students The book represents a step forward in EFL and TESOL pedagogy and demonstrates how theoretical advances can be used in ways that make language learning relevant to today s students Social Media and the Law Daxton

Stewart, Daxton R. Stewart, 2017-02-10 Social media platforms like Facebook Twitter Instagram YouTube and Snapchat allow users to connect with one another and share information with the click of a mouse or a tap on a touchscreen and have become vital tools for professionals in the news and strategic communication fields But as rapidly as these services have grown in popularity their legal ramifications aren t widely understood To what extent do communicators put themselves at risk for defamation and privacy lawsuits when they use these tools and what rights do communicators have when other users talk about them on social networks How can an entity maintain control of intellectual property issues such as posting copyrighted videos and photographs consistent with the developing law in this area How and when can journalists and publicists use these tools to do their jobs without endangering their employers or clients Including two new chapters that examine First Amendment issues and ownership of social media accounts and content Social Media and the Law brings together thirteen media law scholars to address these questions and more including current issues like copyright online impersonation anonymity cyberbullying sexting and live streaming Students and professional communicators alike need to be aware of laws relating to defamation privacy intellectual property and government regulation and this guidebook is here to help them navigate the tricky legal terrain of social media **A Panorama of Linguistic Landscape Studies** Durk

Gorter, Jasone Cenoz, 2023-10-10 Language is on display all around us all the time and the study of this linguistic landscape is

one of the fastest growing areas of research in applied linguistics This book provides an overview of how the field of Linguistic Landscape Studies has emerged and developed over the past 20 years combined with an in depth exploration of the theoretical approaches innovative research methods and major themes that have been central to this dynamic area of research Written by two authors who have been involved in the field from its inception the book features summaries of studies from around the world a discussion of the future of the field and an analysis of the impact of linguistic landscape research on language policy language learning and teaching and minority language revitalization It will be an invaluable companion for students and researchers in Linguistic Landscape Studies as well as to those working in related areas The book is open access under a CC BY NC ND licence

Food and Philosophy Spencer Wertz, 2017-02-08 These essays on food and philosophy were written over several decades Not only philosophers and historians but individuals who have an ongoing interest in food should relish them The essays cover wide ranging topics that include genetically modified organisms chocolate and its world food as art the pornography of food and the five flavors of Chinese cuisine In addition there are several chapters that deal with the refinement of erudite professional cuisine from popular regional cuisine in the seventeenth and eighteenth centuries in Europe One chapter stands alone as an analysis of the Native American cultural foundations of maize The book opens with an essay on the philosophy of food history that addresses three fundamental problems the duplication of sensations and taste the understanding of recipes from other historical periods and the sorts of judgments that are included or excluded in a historical narrative The book ends with an exposition of R G Collingwood's anthropology of eating and dining which completes the discussion with an analysis of the magical symbolism of those cultural activities
