

Thank-You To A Special Teacher

Memories were made in this classroom,
Friendships were formed...and they grew.

Each little child, whether quiet or wild,
Learned so many great things from you!

You were the one they looked up to,
The teacher they came to adore,
The person they knew they could count on,
You were WONDERFUL...and so much more!

Your kindness will always stay with them,
And your gentleness was the key,
To helping them grow and helping them trust,
They could be just the BEST they could be!

Teacher Appreciation Poems For Special Needs Kids:

Serving Special Needs Students in the School Library Media Center Margaret Keefe, Robert King, 1995-05-30

School library media specialists are now considered part of the teaching staff and are charged with integrating their library and information skills curriculum with the more general classroom curriculum At the same time more and more special needs students are part of every school and every classroom Thus the media specialist must work effectively with special needs students on a regular basis to develop their information skills and must also serve as a resource to classroom teachers This professional reference offers practical information to school library media specialists on how to serve special needs students and their classroom teachers effectively The first part of the book highlights the teaching role of the media specialist and discusses how and what to teach special needs students The second part views the media specialist as an information expert who must structure the library and its resources for students with special needs The third section treats the media specialist's role as a professional who must collaborate with other teachers

A Poetry Teacher's Toolkit Collette Drifte, Mike Jubb, 2013-12-16 Professional poets spend many hours crafting a finished piece of work yet we expect children in school to sit down and write when they are told to whether they feel inspired or not This series of four books is a toolkit to help you build a positive framework for children to read write understand and enjoy poetry to bring a creative spark to the poetry classroom A combination of featured poems creative ideas structured lesson plans and differentiated photocopiable activity sheets gives the series a uniquely flexible approach which means you can use the materials in any classroom context If you're wary of poetry if you think it's boring or if you're nervous about teaching poetry then you've chosen the right book Key themes covered in BOOK 2 Rhymes Rhythms and Rattles are rhythm and rhyme in poetry sounds alliteration words to create effects onomatopoeia and metaphor and simile Other books in the series are BOOK 1 Words and Wordplay BOOK 3 Style Shape and Structure and BOOK 4 Language and Performance
