Learning English with Chris & Friends Teacher's Guide for Workbook 2 Beate Baylie, Karin Schweizer, 2021-11-25. Ideal for private English lessons, kindergarten courses, or elementary school. Let Chris, the little grasshopper who only speaks English, and his friends show the kids their world in English, of course. Learning English with Chris & Friends is designed for children between 5 and 7 years. The aim of the program is to teach children the English language as early as possible with fun, excitement, and using all the senses but without pressure to perform. Great importance is attached to the fact that the children are challenged and encouraged in an age-appropriate manner. The children should look forward to exciting, varied, and fun lessons and not perceive them as a burden. The program can also be easily used as a successor to other remote programs, e.g., Learning English with Chris the Grasshopper. It can also be used as an entry-level program for children from the age of 7. The Comprehensive Teacher's Guide with 18 complete lessons for Learning English with Chris & Friends 2 contains worksheets, game templates, dice templates, and craft templates together with detailed instructions from the first trial lesson to detailed preparation of individual lessons and even Do's and Don'ts in the classroom. **Project STAR**, 2001.

Writers in the Schools Susan Perabo, 1998-01-01. For nearly three decades, writers from the University of Arkansas Programs in Creative Writing have traveled to Arkansas's public and private schools to enrich classrooms by contributing a unique dose of teaching methods. The workshops and sessions these writers teach open avenues for student creativity and sharpen students' language skills across the state. Writers in the Schools combines and condenses these proven techniques. The lesson in this valuable text is that the imagination is the greatest tool a student possesses. Instead of lectures, the book relies on hands-on exercises and time-tested activity plans that start students writing within minutes of discussing the basics of the writing process. Included are dozens of ideas to spark student creativity and hone rough drafts into finished poems and short stories. Trials for the Gods Rebecca J. Sotirios, 2022-08-15. Greek gods. Just myths, right? My name is Iris Dimitriadis, daughter of Zeus, the supreme ruler of the gods. A few years ago, my whole life changed the moment I received a prophecy: If you've stayed up to date with my life, you'll know I was one of the prophesied demigods that helped save Mount Olympus from destruction. The world has changed significantly since then. The barrier between the gods and mortals was demolished the moment the gods came to reveal themselves to the mortals of Earth. Zeus has decided to further showcase their might and power. To prove they are the Rulers of Humanity and only true gods, an event was established where demigods must compete annually via a set of perilous Trials. The Trials take place yearly after the cold season has ended on an island named H N Hrakleia Nissos, meaning the Island of Hercules. As demigods, we are now solely trained to survive these Trials.
