Prep Curtis Sittenfeld,2005-01-11 NEW YORK TIMES BESTSELLER A modern classic of adolescent angst and ambition set in the world of prep school from the author of Romantic Comedy and Eligible a tart and complex tale of social class race and gender politics The Boston Globe One of The New York Times Book Review s Ten Best Books of the Year Lee Fiora is an intelligent observant fourteen year old when her father drops her off in front of her dorm at the prestigious Ault School in Massachusetts She leaves her animated affectionate family in South Bend Indiana at least in part because of the boarding school s glossy brochure in which boys in sweaters chat in front of old brick buildings girls in kilts hold lacrosse sticks on pristinely mown athletic fields and everyone sings hymns in chapel As Lee soon

learns Ault is a cloistered world of jaded attractive teenagers who spend summers on Nantucket and speak in their own clever shorthand Both intimidated and fascinated by her classmates Lee becomes a shrewd observer of and ultimately a participant in their rituals and mores As a scholarship student she constantly feels like an outsider and is both drawn to and repelled by other loners By the time she s a senior Lee has created a hard won place for herself at Ault But when her behavior takes a self destructive and highly public turn her carefully crafted identity within the community is shattered Ultimately Lee s experiences complicated relationships with teachers intense friendships with other girls an all consuming preoccupation with a classmate who is less than a boyfriend and more than a crush conflicts with her parents from whom Lee feels increasingly distant coalesce into a singular portrait of the painful and thrilling adolescence universal to us all

Everyday Advocacy Cathy Fleischer, Antero Garcia, 2020-11-17 What counts as professionalism for teachers today Once teachers who knew their content area and knew how to teach it were respected as professionals Now there is an additional type of competency required in addition to content and pedagogical knowledge educators need advocacy skills In this groundbreaking collection literacy educators describe how they are redefining what it means to be a teaching professional Teachers share how they are trying to change the conversation surrounding literacy and literacy instruction by explaining to colleagues administrators parents and community members why they teach in particular research based ways so often contradicted by mandated curricula and standardized assessments Teacher educators also share how they are introducing an advocacy approach to preservice and practicing teachers helping prepare teachers for this new professionalism Both groups practice what the authors call everyday advocacy the day to day actions teachers are taking to change the public narrative surrounding schools teachers and learning
