Garrison,2021-05-20 The gods have much to tell us about performance When human actors portray deities onstage such divine epiphanies reveal not only the complexities of mortals playing gods but also the nature of theatrical spectacle itself The very impossibility of rendering the gods in all their divine splendor in a truly convincing way lies at the intersection of divine power and the power of the theater This book pursues these dynamics on the stages of ancient Athens and Rome as well on those of Renaissance England to shed new light on theatrical performance The authors reveal how gods appear onstage both to astound and to dramatize the very machinations by which theatrical performance operates Offering an array of case studies featuring both canonical and lesser studied texts this volume discusses work of Aeschylus Sophocles Euripides Aristophanes and Plautus as well as Beaumont Heywood Jonson Marlowe and Shakespeare This book uniquely brings together the joint perspectives of two experts on classical and Renaissance drama This volume will appeal to students and enthusiasts of literature classics theater and performance studies The American Catholic Quarterly Review James Andrew Corcoran,Patrick John Ryan,Edmond Francis Prendergast,1916
